# WELCOME TO ARGOS

Our Superstore catalogue contains all the products which are available from Traditional Argos stores, plus an additional 2,900 lines which are exclusive to Superstores.

**S** **10** **£229<sup>99</sup>**

Please see pages 718-719 for your nearest Argos Superstore.

Products marked by these symbols are exclusive to our Superstores, and are not available from Traditional Argos stores.

## Services

### and Useful Information

Throughout the catalogue you'll find useful information on special services and after sales care. To find out more, please refer to the page numbers below

INSTANT CREDIT	2
EXTENDED GUARANTEES	3
FILM PROCESSING	510

DELIVERY SERVICES	722
PREMIER POINTS	723
GIFT VOUCHERS	723
STORE LIST	718-719
CONTENTS	720, 721, 723

## Telephone

### Enquiries

Please refer to the following information before contacting us by telephone.

**STORES** (local queries) see pages 718 and 719

**HEAD OFFICE** (Customer Services) Telephone: 01908 600161

**ARGOS DIRECT** (Free Home Delivery) see page 722

### MANUFACTURERS

You can phone over 150 of our suppliers direct for specialist advice and information. Look out for the supplier helpline symbol throughout the catalogue.

### Tax Free Shopping

**TAX FREE** FOR TOURISTS  
Europe Tax Free Shopping  
(For non-European Union (EU) visitors)  
Overseas visitors from non-EU countries may qualify for Tax Free Shopping, saving the VAT on purchases they export, less an administration charge. The visitor can obtain instant cash at the airport before they leave. Please ask in-store for more details.

## WAYS TO PAY

### Debit Cards

You can pay for your purchase with either of the debit cards shown.

### Cash, Cheque or Credit Card

You can pay for your purchase with cash, or Creditcharge, Visa, Access, Mastercard, Style or American Express. You can also pay by cheque and if you have a valid cheque card, we will give you immediate clearance on cheques up to £500 (subject to status, you may also need additional identification).

## CREDIT TERMS

### UP TO £1,000 INSTANT CREDIT

You can take out up to £1,000 instant credit and open an Argos Personal Account, subject to status. Afford what you want now and spread your payments over time. **The APR is 27.8% (variable).**

### INTEREST FREE CREDIT OFFERS

Look out for the special Interest Free Credit offers on selected items at **0% APR** (subject to status).

Both the above credit offers are available to most adults and a written quotation is available on request. All credit details advertised in the catalogue are stated on the basis of payment by direct debit and exclude any Payment Protection Plan you may wish to take out. Please check in-store for details of the latest credit offers.

### Premier Points

You can also pay by redeeming your Premier Points. See page 723.

### Argos Gift Vouchers

Ideal for a gift or special occasion. See page 723.

We also accept Provident, High Street Vouchers and Choice Shopping Vouchers.

### PLEASE NOTE:

- Some of the goods which are shown in the catalogue may vary slightly if a supplier has changed or altered their specifications after the catalogue has been printed. If this should happen, we will try to help by offering you alternative goods of a similar specification and value to your original choice.
- All sizes are approximate.
- Please check the in-store catalogues and supplements before ordering for up-to-date product information and price cuts on selected items which are often available during the course of the year.
- Under exceptional circumstances, we may have to make adjustments to our prices stated in the catalogue (which include VAT at 17½%).
- All items are subject to availability.
- You are advised to obtain appropriate insurance cover for products bought for commercial use.

### How to shop Shopping is simple:

- 1 Write the catalogue number and the quantity of the goods you require on a customer selection form (there are some included on page 715 of this catalogue as well as in-store).
- 2 Take the form to a service point.
- 3 Whilst you are paying, your goods will be brought to the collection counter ready for you to collect. Some of our larger items can also be ordered by telephone and delivered to your door. Please see page 722 for details.

# EXTENDED GUARANTEES AT LOW, LOW PRICES

We make sure we're offering the very best quality products. But even these may occasionally break down.

Take out an Argos Extended Guarantee and there'll be no need to worry about repair bills for the next 3 or 5 years.

## Applying for your Extended Guarantee

You can take out an Argos Extended Guarantee when you buy a product, or at any time within the first 30 days after you buy it. There are two ways: in-store or by phone.

### In store:

- 1 Check that the product you're buying is in the table to the right.
- 2 Decide whether you want the Extended Guarantee for 3 years or 5 years.
- 3 Write the Catalogue Number for the Guarantee you've chosen on your Selection Form.
- 4 Take your Form to a Service Point.

**By phone:** Call the credit card line at Cornhill Insurance on 01892 516 819, 8 am-8 pm Mon-Fri, and 9 am-12.30 pm Sat.

## More Information

For all queries, call the Helpline at Cornhill Insurance, who run the Guarantee scheme for us, on 01892 515 414 8 am-8 pm Mon-Fri, and 9 am-12.30 pm Sat. Their customer advisers will be happy to help.

## FREE Accidental Damage Cover

For the first 12 months after you buy a product in the list on the right, our FREE Accidental Damage Cover will pay for any repairs you need if the product is damaged accidentally.

■ If you're taking out an Extended Guarantee we'll automatically include FREE Accidental Damage Cover.

■ If you just want FREE Accidental Damage Cover, pick up a leaflet in-store for details.

*Not available for camcorders or for business use.*

## How it works

In Year 1 you are covered by the manufacturer's guarantee, AND we'll give you FREE Accidental Damage Cover.\*

3 Year Extended Guarantee extends your cover by an extra 2 years.

5 Year Extended Guarantee extends your cover by an extra 4 years.

Year 1 Year 2 Year 3

\* mg = manufacturer's guarantee

Argos Distributors Ltd are an agent of Cornhill Insurance plc. Registered Office: 52 Cornhill, London EC3V 5LJ.

Our Guarantees are arranged by Cornhill Insurance, who also run the helpline. The Guarantees do not affect your statutory rights. The premiums shown above include any insurance tax applicable.

If you'd like to see a copy of the full terms and conditions, just ask in any Argos store. The Guarantee covers parts, labour costs, and call-out charges if the problem is due to faulty workmanship or materials used in manufacture.

\*Free accidental damage cover is not available for camcorders or business use.

\*\*Available for up to eight business products for business use for one individual at one address.

We want all our customers to be totally satisfied with every purchase made from Argos. We therefore offer you the opportunity of returning any item within 16 days from the date of purchase for exchange or a full refund.

All we ask is that you return the product in its original and unspoilt condition along with the wrapping and the receipt, to any Argos store. Please note, however, that certain products are excluded from this promise. All such exclusions are clearly indicated by a statement on the relevant catalogue page.

This guarantee is in addition to your statutory rights, which remain unaffected.

## For Your Information

For details of our Repair Services, see page 717.

# Your guide to choosing gardening equipment

**'What equipment is available to make everyday gardening jobs easier to manage?'**

Look for:

**Grass trimmers/edgers** have a fast spinning nylon 'string' that can cut grass in places that are inaccessible to a lawn mower, such as close to walls or around trees.

**Hedge trimmers** have blades that move backwards and forwards rapidly in a 'scissor' action. They make it much easier to keep your hedge neatly trimmed.

**Garden shredders** reduce garden waste – such as leaves, hedge cuttings and small branches – so you can make good compost much more quickly.

**'What are the advantages of the different types of lawn mower?'**

Choice of power:

**Petrol** mowers have no lead and so you can use them anywhere. Petrol mowers are usually more powerful than electric mowers, and so are more suitable for large gardens.

**Electric** mowers are light and easy to use. The power of the motor is measured in *watts* – the higher the number of watts, the more powerful the mower.

Choice of cutting method – there are two basic methods by which mowers cut – *rotary* and *cylinder*. Rotary blade mowers come in two types – *wheeled* and *hover*:

**Wheeled rotary cut** – these mowers come in a range of sizes, suitable for most gardens, and can cut close to the edge of the lawn. Most models collect the grass. Some have rollers that 'stripe' the lawn. Petrol or electric versions are available.

**Hover rotary cut** – all our hover mowers are electric. They are easy to use and will cut right to the edge of the lawn. Some models collect the grass.

**Cylinder cut** – the traditional way of cutting the lawn to get 'stripes'. All our cylinder mowers collect the grass.

## Safety tips

In conjunction with RoSPA (the Royal Society for the Prevention of Accidents).

- ✦ Always follow the manufacturer's instructions very carefully.
- ✦ Always fit a residual current device (RCD) to the electric socket – this disconnects the electric circuit if there is a fault (order Cat. No. 982/5262).
- ✦ Never use an electric mower in damp conditions and do not attempt to lift the mower while the blade is rotating.
- ✦ Always wear safety goggles, stout shoes, and hand protection where necessary – particularly on rough ground. A safety kit is available via mail order (for credit card orders please call 0161 976 4505 or pick up an order form from your local store. This service is not available in the Republic of Ireland).

Should you have any queries, regarding your lawn mower, please call the appropriate number during normal office hours.

Black & Decker	01753 574277
Bosch	01895 838402
Flymo	01325 300303
Qualcast	01449 771449
Valex	01202 871717

Please note: When using any of the supplier helplines from the Republic of Ireland, you must add the prefix 0044 and remove the first zero from the UK prefix.

**REPAIR SERVICE**

We offer an after sales repair service. Please refer to page 717 for details. Item no. 2

**TONGUE AND GROOVED WEATHERBOARD CLADDING - THE BENEFITS**  
Interlocking design gives:  
■ Greater stability and helps to ensure that the cladding will not separate. ■ Greater weather-proofing as there are no gaps for rain to penetrate. ■ Greater security than overlap as there are no loose edges to be prised off.

The extra machining that is required to profile the timber into tongue and grooved cladding produces a planed clean cut board giving a better looking finish and therefore enhancing the overall appearance of the product. Due to the machining process of which the board has undergone the external grain of the board closes up making the board itself more weather-proof.

**1 LINWOOD ALARM.** Suitable for garden, sheds, garages, greenhouses and conservatories. Efficient and cost effective protection incorporating loop protection for bicycles, lawnmowers and ladders. Instant alarm when loop broken. Entry delay on door to allow disarming. 115 dB siren. Completely self-contained and battery powered with keyswitch operation. 6LR61 battery provides up to 12 months continuous use. Unit is pre-wired and can be installed in minutes. Step by step instructions and all fittings provided. Provision for additional plug-in sensors. (Details in instructions.) Requires 1 x 6LR61 battery (order 1 of 980/0971 at £2.95).

**1 STEAM WALLPAPER STRIPPER.** Ideal for removing all types of wallpaper including multi-layered, painted and even Artex®. Fitted with a 2000 watt element it provides a fast steam up and the 5 litre boiler will allow 90 minutes continuous operation. The lightweight steam plate ensures no aching wrists and the 3.65m steam hose allows you to get to those "hard to reach" areas. Safety features include: transparent steam plate to monitor condensation build-up when overhead stripping; supercool hose; two thermal protection devices and an exterior water level indicator. Mains operated.

**Cat. No. 710/9155 £22.99**

**2 EARLEX STEAMA BASIC WALLPAPER STRIPPER.** 1500 watt. Removes all types of wallpaper including painted, multi-layered and Artex®. Large ultra-light steam plate. 3.65m hose enables easy access to most areas. Approx 90 minutes continuous use from one fill. Mains operated.

**Cat. No. 710/8060 £26.79**

**3 BLACK & DECKER KX1200 WALLPAPER STRIPPER.** 1200 watt. For fast, easy and clean removal of all types of wall coverings. Ready for use in less than 60 seconds after filling and providing almost continuous use. Detachable water tank can be filled straight from the tap. Lightweight, it can be used at any angle on walls and ceilings. Complete with 4m cable. Mains operated. Manufacturer's 2 year guarantee.

**Cat. No. 710/9162 £29.50**

**4 EARLEX SS100 SUPER STEAMER KIT.** Complete with three attachments for fast, easy removal of wallpaper and Artex®. Fitted with a 2300 watt element for fast steam-up time. The large steam plate is ideal for standard areas of wallpaper while the small steam plate is designed to remove wallpaper from corners and the inside of window frames. The jet nozzle is ideal for the hard to reach areas, (for instance behind radiators) and is supplied with a brush and scraper attachment, which can also be used to defrost fridges and freezers and to clean work surfaces. Complete with a 3.65m hose and 2m cable. Mains operated.

**Cat. No. 710/8998 £34.99**

**5 DRAPER 34402 HOT AIR GUN.** 1600 watt. Two heat settings 400°C/590°C. Air flow volume 300/500 L/min. Ideal for paint stripping, thawing, quick drying and bending plastic pipes. Complete with hanging hook.

**Cat. No. 710/8541 £18.99**

**6 BLACK & DECKER KX1600A HEAT GUN.** 1400 watt. Single heat 550°C. Fast, easy and controllable method of stripping oil based paints and varnish cleanly and without scorching woodwork. Complete with scraper and glass protector nozzle. Textured handle for improved grip, comfort and control. 3m cable for extra reach. Manufacturer's 2 year guarantee.

**Cat. No. 710/8981 £21.40**

**7 BOSCH PHG500-2 HOT AIR GUN.** 2 settings: 300°C and 500°C. Ideal for paint stripping/thawing pipes, quick drying and shaping and jointing plastic.

**Cat. No. 710/9148 £29.50**

**8 SIAL KID 8 PORTABLE GAS HEATER.** Ideal for workshops, laboratories, warehouses, greenhouses, building sites and garages, for both heating and drying. Fitted with a safety valve in case the hose breaks, a solenoid valve, a thermocouple and a safety thermostat. Gas consumption 0.76 kg per hour and 8.6 Kcal heat output. Gas cylinder not supplied. Size (H)35, (W)27, (D)18 cm.

# Your guide to choosing power tools

**'How can I tell which drills will be powerful enough for heavy duty work?'**

Look for:

**Watts** – the power of the motor in a drill is measured in watts. A low wattage drill is sufficient for light work, or occasional use. For heavy work, or if you'll be using your drill frequently, you should choose one with a high wattage.

**Hammer action** – essential for drilling into masonry and concrete. The drill bit is 'hammered' into the masonry thousands of times a minute.

**'Why is it that some drills have different speed settings, but others only have one speed?'**

The speed of a drill is measured in RPM (revolutions per minute). Ideally you should use different drilling speeds depending on the size of the hole you are drilling and the material you are drilling into.

**Single speed** is suitable for straightforward drilling into wood, metal and plastic.

**Two-speed** drills let you choose a slow speed for soft materials, and a faster speed for hard materials.

**Variable speed drills** give you greater flexibility and control because you can select exactly the right speed for the job. Some drills have a speed selection guide printed onto their casing.

**'Which drills can be used as power screwdrivers?'**

Only drills with variable speed can operate slowly enough to function as a screwdriver.

**Reversing facility** – the drill bit can rotate in an anti-clockwise direction so that screws can be unscrewed, as well as screwed in. A reversing facility is also useful for freeing a sticking drill.

**Torque control** monitors the resistance to the drill bit so that if you try to drill into something that is too hard, the drill will stop rather than risk damage. This feature is particularly useful for screwdriving because the drill can 'feel' when the screw has been tightened enough and will stop automatically.

**'Do all drills hold the drill bit in the same way?'**

All drills have a 'chuck' which is loosened and tightened to grip the drill bit, like a vice.

**Chuck size** is the diameter of the largest drill bit shank that can be put in the drill. This is not the size of the largest hole you can drill because some drill bits are larger at the cutting end.

**Keyless chuck** – lets you change the drill bit quickly and easily without using a chuck key.

Should you have any queries regarding your equipment please call the appropriate telephone number, during normal office hours.

## Safety tips

In conjunction with RoSPA (the Royal Society for the Prevention of Accidents) we recommend the following safety advice.

- Always read the manufacturer's instructions before starting work, and then follow them.
- Always fit a residual current device (RCD) to the electric socket and test it before using a power tool. This disconnects the electric circuit if there is a fault. (Order Cat No 982/5262).
- Wear safety goggles for DIY activities. See page 37. A safety kit is available via mail order. (For credit card orders please call 0161 9764505).
- Unplug the drill before fitting bits and use good quality sharp bits in the drill, making sure they are secured firmly in the chuck.
- Don't leave cables trailing over the edge of the work surface. When the job is finished put the drill away.

## Drill Bit Sets

**1 HILKA 40 PIECE DRILL AND SCREWDRIVER BIT SET.** Contains 14 HSS 1-6 mm, 8 masonry 3-10 mm, 8 wood bits 3-10 mm, 3 flat bits 1/2 ins, 3/4 ins, 1 1/4 ins, 6 screwdriver bits cross head and flat head. Complete with magnetic bit holder in moulded storage case.

Cat. No. 701/1195 £13.99

# Your guide to choosing cordless power tools

Cordless drills that have **variable speed** and **reverse** can also act as screwdrivers.

## 'Can cordless power tools tackle really tough jobs?'

All our cordless drills can be used to drill holes in wood, metal and plastic. Those with 'hammer action' can also drill into masonry.

### Drills

**Voltage** – the power of a cordless drill depends on the size of its battery, and this is measured in volts. The higher the voltage, the more powerful the drill.

**Hammer action** is essential for drilling into masonry and concrete. The drill bit is 'hammered' into the masonry thousands of times a minute.

### Screwdrivers

**Spindle lock** – lets your power screwdriver work as a conventional screwdriver, for tackling very tough screws.

## 'How long do cordless tools take to recharge?'

Cordless drills and screwdrivers have rechargeable batteries. They can operate at any distance from a mains supply.

### Look for:

**Trickle charge** – cordless screwdrivers constantly 'top up' their charge whilst not in use, so they are always ready.

**Fast charge** – cordless drills take between 1 and 4 hours to charge up, depending on the model you choose. The faster the charge time, the quicker you can start work again.

**Removable battery** – allows continuous use because a second battery can be charged while the drill is in use.

## 'Which cordless drills are simplest to use?'

### Look for:

**Keyless chuck** – lets you change the drill bit quickly and easily without using a chuck key.

If you have any queries about the drills or screwdrivers shown, please call the appropriate telephone number during normal office hours.

## Cordless Screwdrivers

1 £1470

SKIL 'TWIST' 2105 SCREWDRIVER.

- 2.4V. ■ Single speed 130 rpm.
- Recharge time 6 hours. ■ Charger included.
- Spindle lock for manual use. ■ Reverse facility.
- 2 double ended screwdriver bits and wall bracket.

Cat. No. 710/8826 £14.70

2 £1735

BLACK & DECKER KC9018 CORDLESS POWERDRIVER.

- 2.4V. ■ Single speed 130 rpm.
- Recharge time 12 hours.
- Charger included (wall mountable).
- Reverse facility. ■ Spindle lock for manual use.
- Double ended screwdriver bit.
- Manufacturer's 2 year guarantee.

Cat. No. 710/8833 £17.35

3 £1750

BOSCH PSR 2.4V CORDLESS SCREWDRIVER.

- 2.4V. ■ Single speed 130 rpm.
- Recharge time 6 hours. ■ Charger included.
- Reverse facility. ■ Spindle lock for manual use.
- 2 double ended screwdriver bits and wall mounting bracket.

Cat. No. 710/6471 £17.50

4 £2940

BLACK & DECKER KC9018K CORDLESS POWER DRIVER KIT.

- 2.4V. ■ Single speed 130 rpm. ■ Recharge time 12 hours.
- Charger included (wall mountable).
- Reverse facility. ■ Spindle lock for manual use.
- 9 insert bits, 3 reversible bits, magnetic bit holder and tough kit box. ■ Manufacturer's 2 year guarantee.

Cat. No. 710/8840 £29.40

5 £2999

RICHMOND CONVERTIBLE CORDLESS SCREWDRIVER/DRILL KIT.

- 3.6V. ■ Single speed 200 rpm.
- Recharge time 4 hours. ■ Charger included.
- Removable battery. ■ Detachable 10 mm chuck.
- Torque control. ■ Variable grip angles for easy access.
- Countersink. 11 screwdriver bits and case.

Cat. No. 710/6684 £29.99

6 £3990

BLACK & DECKER KC9019K CORDLESS SUPER POWERDRIVER KIT.

- 3.6V. ■ Single speed 180 rpm. ■ Recharge time 12 hours.
- Charger included (wall mountable). ■ Reverse facility.
- 6 torque settings. ■ Automatic spindle lock for manual use.
- 9 insert bits, 3 reversible bits, magnetic bit holder and tough kit box. ■ Manufacturer's 2 year guarantee.

Cat. No. 710/8857 £39.90

7 £4650

BOSCH PSR 3.6V CORDLESS SCREWDRIVER KIT.

- Single speed 180 rpm.
- Recharge time 6 hours.
- Charger included.
- Reverse facility.
- Spindle lock for manual use.
- 8 insert bits, 2 double ended screwdriver bits, magnetic holder and tough plastic carrying case.

Cat. No. 710/9193 £46.50

48 PIECE SCREWDRIVER ACCESSORY SET.

In a tough moulded carry case, containing 33 screwdriver bits (7 Phillips®, 6 slotted, 6 star for Torx®, 3 Pozidriv®, 4 hexagonal, 4 square, 3 double function bits) together with 3 pilot drill bits, 7 nutdrivers, 1 extra long magnetic bit holder, 1 socket adaptor and 3 screw finders.

Cat. No. 701/1315 £16.89

8 £1689

**1 BLACK & DECKER BL350 JIGSAW.** 350 watt. Single speed, 3000 strokes per minute. Protective blade guard. Soleplate pivots for mitre cutting up to 45°. Cuts up to 50 mm in wood, 3 mm in steel and 8 mm in aluminium. Cat. No. 710/8929 **£23.65**

**2 S SUPERSTORES ONLY**  
**BLACK & DECKER KS531 JIGSAW.** 370 watt. Single speed 3100 strokes per minute. Vacuum dust extraction facility and protective blade guard. Soleplate pivots for mitre cutting up to 45°. Cuts up to 55 mm in wood, 3 mm in steel and 8 mm in aluminium. Textured handle for improved grip, comfort and control. 3m cable for extra reach. Manufacturer's 2 year guarantee. Cat. No. 710/9045 **£28.00**

**3 BOSCH PST 53A JIGSAW.** 300 watt. 2700 strokes per minute. Maximum cutting capacities: wood 53 mm, steel 3 mm, aluminium 12 mm. Blade guard, mitre cutting facility to 45°, roller guide support, dust extraction facility. Supplied with wood blade and screwdriver. Cat. No. 710/9131 **£39.50**

**4 BOSCH PST 54E JIGSAW.** 350 watt. Variable speed, from 500 to 3000 strokes per minute. Maximum cutting capacities: wood 54 mm, steel 3 mm. Mitre cutting facility. Roller guide support. Complete with wood blade. Cat. No. 710/6048 **£47.75**

**5 BLACK & DECKER KS538SE SCROLLER JIGSAW.** 370 watt. Variable speed, 800-3100 strokes per minute, faster speeds for cutting wood, slower speeds for cutting metal and ceramics. Selected speed is maintained by electronic feedback. Soleplate pivots for mitre cutting up to 45°. Scrolling action allows cutting of intricate shapes in thicknesses of up to 60 mm in wood, 3 mm in steel and 8 mm in aluminium. Vacuum dust extraction facility and protective blade guard. Textured handle for improved grip, comfort and control. 3m cable for extra reach. Manufacturer's 2 year guarantee. Cat. No. 710/8943 **£59.00**

**6 BOSCH PST 700 PAE ORBITAL ACTION JIGSAW.** 550 watt. Variable speed, from 300 to 3000 strokes per minute. Maximum cutting capacities: wood 70 mm, steel 8 mm. Quick blade change system (no tools required). Four stage orbital action. Mitre cutting facility up to 45°. Complete with roller guide support, dust extraction facility, wood blade and anti-splinter device. Cat. No. 710/8259 **£88.50**

**7 SKIL 1850 CIRCULAR SAW.** 830 watt. Single speed, 4300 rpm. Max cutting depth 50 mm. Complete with 6 ins TCT blade, adjustable rip fence, vacuum cleaner adaptor and blade key. Cat. No. 710/8125 **£64.50**

**8 BLACK & DECKER KS852 CIRCULAR SAW.** 1000 watt. Single speed, 4000 rpm. Maximum depth of cut 55 mm. Soleplate pivots for mitre cutting up to 45°. Vertical height adjustment allows the correct depth of cut to be selected. Complete with adjustable rip fence guide, 15.8 cm TCT blade and vacuum dust extraction facility. 3m cable for extra reach. Manufacturer's 2 year guarantee. Cat. No. 710/8967 **£79.50**

**9 S SUPERSTORES ONLY**  
**DRAPER DRILL-POWERED ROTARY PUMP.** A compact, lightweight pump for use with any electric drill of more than 400 watts. It has a running speed of 2-3000 rpm and is capable of pumping 2497 litres per hour (without inlet filter). Maximum water lift up to 2m and the outlet hose must not exceed a maximum pumping head of 15m vertically. Ideal for pumping water/ light liquids, emptying or filling tanks/ pools/boats and transferring liquids. Inlet and outlets take 19 mm bore hose. Inlet filter, spare washers, 3 spare vanes and mounting bracket supplied. Cat. No. 701/2187 **£14.99**

**10** AL-KO SUBMERSIBLE WATER PUMP. Capacity 8400 litres per hour. Lifts water up to 7m and can pump to within 12 mm from the floor. Fitted with ceramic shaft for longer life and continuous use in garden ponds and water features. 10m cable supplied. 280 watt. A residual current circuit breaker is recommended. **Cat. No. 710/9179 £59.99**

**11** ARTIKA PRESSURE WASHER. Jet power washer with 1500 psi power. Operates from a standard garden hose. Complete with 8m high pressure lance, detergent injector, water and detergent fillers and automatic wash gun. Ideal for car cleaning, patios and boats. **Free home delivery, see page 722.**

**12** SIP TABLE SAW. 25 cm. Depth of cut 77 mm at 90° and 61 mm at 45°. Complete with a 2 1/2 HP motor, front and rear locking rip fence and mitre cutting slot for accurate and controlled use. Blade facilities include rise and fall tilting arbor, ripping, straight mitre and compound angle cutting. VDE safety approved switch. **Cat. No. 710/8297 £169.99**

**13** **S SUPERSTORES ONLY** DRAPER FS16A FRETSAW. 400 mm throat depth, maximum depth of cut 50 mm. 1450 cuts per minute. Tilting worktable up to 45° with a unique two system blade holder for pin or plain end blades. Complete with sawdust blower facility, 30 pin end blades and 1/10 HP induction motor. **Cat. No. 710/9021 £99.99**

**14** **S SUPERSTORES ONLY** SIP BAND SAW. 25 cm. 1/4 HP motor. With a blade cutting depth of 10 cm, maximum throat depth of 25.5 cm and tilting table. Complete with mitre gauge for precision angle cutting. Suitable for all types of wood, plastics and non-ferrous metals. **Cat. No. 710/8558 £129.00**

**15** **S SUPERSTORES ONLY** SIP 13 MM PILLAR DRILL. 5 speeds variable 600-2500 rpm. 13 mm chuck. Fitted on/off safety switch. 1/2 HP motor. Safety telescopic chuck guard. Fully adjustable table. Depth gauge and stop. Adjustable table tilt (0-45° left and right). Rigid heavy duty steel column. Instruction manual. **Cat. No. 710/9186 £79.99**

**16** BOSCH POF 500A PLUNGE ROUTER. For jointing, grooving, shaping, rebating, bevelling and profile cutting. 500 watt. No load speed 27,000 rpm. Maximum plunge depth 52 mm. 1/4 ins collet size. Removable body for bench mounting or hand grinding. Complete with dust extraction attachment, curve dead stop, limit stop, extension piece, centring pin, profiling unit, template guide and parallel guide. **Cat. No. 710/8974 £94.50**

**17** **S SUPERSTORES ONLY** DRILL-POWERED WOOD LATHE. Swivel head wood turning lathe and sanding centre. Can be powered by any mains powered drill. Heavy aluminium bed complete with headstock and tailstock, quick release tool rest, working table, four spur drive centre, adaptor and 12.7cm faceplate for turning bowls, dishes etc. Max dimensions 605 mm between centres, 76 mm depth. Comprehensive instructions included. **Cat. No. 701/2235 £39.99**

**18** BLACK & DECKER WM450 WORKMATE WORKBOX. Portable workmate/toolbox with a maximum gripping width of 95 mm. Working height 28 cm. Maximum load capacity of 113 kg. Toolbox design includes pull out tray and handy storage compartment with lid at the front. Manufacturer's 2 year guarantee. **Cat. No. 710/8149 £39.00**

**19** BLACK & DECKER WM550 WORKMATE. New vertical clamping facility also holds workpieces horizontally. Dual working heights. 3 position rear jaw with max gripping width 226 mm. Carries loads up to 160 kg. Folds flat for storage. Manufacturer's 2 year guarantee. **Cat. No. 710/8493 £78.50**

#### For Your Information

**BATTERY RECOMMENDATIONS**  
All batteries are sold in packs. Our battery recommendations may, therefore, require you to purchase one more battery than necessary.

#### BATTERY SAFETY WARNING

- Never mix zinc carbon/chloride, alkaline or rechargeable batteries.
- Never mix old and new batteries.
- Never attempt to recharge ordinary batteries.

Please note, batteries are not supplied unless otherwise stated.

#### CHARGING TIMES

Please note, all charging times stated apply to the specific batteries supplied, or recommended.

All electrical items on these pages are supplied complete with either a fitted plug or plug adaptor.

**UNIROSS RECHARGE PLUS BATTERIES**  
Last up to 30% longer than conventional rechargeable batteries.

**Cat. No. 750/4736 £74.00**

**7** **FIT-RITE LUXURY TRAVEL RUG.** Size (L)1.7, (W)1.3m approx, including fringe. 80% acrylic/20% other fibres. Fully washable.

**Cat. No. 740/6951 £4.89**

**8** **DOMINO CAR SUN BLINDS.** Pack of 2. Fitted in seconds by suckers or velcro (supplied) to rear or side windows. Fully retractable. Provides protection from sun and heat.

**Cat. No. 740/6975 £6.49**

**9** **BICYCLE/MOTORCYCLE SECURITY SHACKLE LOCK.** Can be placed through the wheel to immobilise the cycle or used to secure the frame to a fixed object. Supplied with two keys and a storage bracket.

**Cat. No. 333/0461 £9.99**

**10** **RICHMOND STEERING WHEEL LOCK.** Heavy duty construction with hardened and tempered steel bar, in high visibility colour to deter thieves. Locks instantly to restrict wheel movement and therefore immobilises vehicle. Unlocked by high security pin-tumbler key.

**Cat. No. 740/7826 £9.99**

**11** **"CAR LOK" IMMOBILISER.** Provides instant vehicle security and protection. It adjusts to fit most vehicles with a central handbrake and is suitable for manual and automatic cars. For vehicles with removable gear knobs, a securing collar is provided which locks onto the gear lever. This locates into the "Car Lok" when it is fitted to prevent forced removal. Complete with 2 keys and window decals.

**Cat. No. 740/7565 £14.89**

**12** **STOPLOCK COMPACT.** A simple to use, highly visible steering wheel immobiliser. It adjusts to fit almost any vehicle providing instant protection. A positive locking action makes the device simple to close without the use of the key. Stoplock Compact can be stored in your glove compartment and comes complete with two keys.

**Cat. No. 740/8203 £16.89**

**13** **METRO "STOPLOCK".** A highly visible steering wheel immobiliser made from high grade steel. A positive locking action enables the Stoplock to click shut without the use of a key. Stoplock anti drill, radial pin-tumble lock provides added protection. This easy to use anti theft device covers the centre boss of the steering wheel and comes complete with three keys and a window decal.

**Cat. No. 740/7967 £29.75**

**14** **LINWOOD "WASP" INSTANT FIT CAR ALARM.** Locks onto steering wheel to provide instant protection. Flashing LED for added visual deterrent. Interference with vehicle triggers high pitched 116 dB siren which makes it painful to stay inside the vehicle. Requires 8 x LR6 batteries which give 6 months use approx (order 4 of 980/1444 at £1.55 pair).

**Cat. No. 740/7417 £26.99**

**15** **HILKA "ELEPHANT" STEERING WHEEL LOCK.** High security lock and sturdy steel construction with vinyl coating to protect interior fittings. Easily fitted in seconds, the double twin-hook design and high visibility of this device make it an effective deterrent to thieves and it cannot be easily removed even if the steering wheel is cut.

**Cat. No. 740/7840 £14.89**

### For Your Information

#### CAR SAFETY

Over 9,000 children are killed or seriously injured in car accidents every year. It is now law that all children and adults must be correctly strapped into rear seats of cars where appropriate restraints are fitted.

Please note, all sizes quoted are approximate.

For further information regarding our range of car safety seats, please refer to page(s) 626/627.

Should you have any queries regarding your car alarm, please call the appropriate telephone number, during normal office hours.

LINWOOD SECURITY: 0121 357 0333  
MOSS SECURITY: 01527 585522

**16 EASY-FIT CAR ENGINE IMMOBILISER.** Cuts any electrical circuit preventing the engine from starting. High security coded electronic touch keys (2 supplied) arm/disarm the system - no batteries required. Red and green arm/disarm LED indicator lights as a visible deterrent. ## Argos Takes Care Of It

**5 MICROMARK REMOTE CONTROL  
BATTERY/MAINS COMPACT INTRUDER  
ALARM.** Ideal for the home, garden shed or  
caravan. Senses human movement across  
an 8m arc. Triggers a loud 95 dB siren.  
Sounds for 1 minute before automatically  
resetting. Activated by remote control, the  
unit gives a 30 second delay to leave the  
room. On re-entering, the unit allows  
15 seconds for disarming before activating  
the siren. LED low battery indicator. Comes  
complete with mains adaptor and 5m  
cable, remote control unit, wall bracket and  
screws. Can also be operated as a free  
standing unit. Requires 3 x LR6 batteries  
(order 2 of 980/1444 at £1.55 pair).  
**Cat. No. 701/1023 £18.89**

**6 MICROMARK SINGLE ZONE SECURITY  
SYSTEM.** The complete home security  
system. Easy to install, powered by a plug-  
in mains adaptor (supplied). Features  
include control panel with keypad and  
panic button, programmable entry/exit time  
and alarm time, back up battery, internal  
95 dB siren, siren cover with 110 dB  
external siren. Complete with control panel,  
external siren, white siren cover, one PIR  
detector, 3 pairs of magnetic contacts,  
30m 4 core alarm cable, cable clips, fixing  
screws and wall plugs. Comprehensive step  
by step illustrated fitting instructions and  
customer helpline number for installation  
support. Additional accessories available via  
in-pack leaflet. Additional PIR detectors  
available - additional maximum 2.  
**Cat. No. 701/1731 £59.99**

**7 MICROMARK 5 ZONE PROFESSIONAL  
BURGLAR ALARM SYSTEM.** Fully tamper  
proof. Comprises mains powered keypad  
control panel with internal sounder, a  
trickle charged back up battery and many  
programmable features. Features include  
adjustable entry/exit times, siren duration  
and personal pass code, five zones including  
24 hour and personal attack circuit for flexible  
arming, full/part guard mode for night time  
convenience and self test facility. Complete  
with control panel, external siren housing  
with 110 dB siren and rechargeable self  
contained bell module, 1.2 AH rechargeable  
battery, 1 PIR detector, 3 pairs of magnetic  
contacts, 50m 6 core alarm cable, cable clips,  
fixing screws and wall plugs. Comprehensive  
step by step illustrated fitting instructions  
and customer helpline number for  
installation support. Additional accessories  
available via in-pack leaflet. Additional PIR  
detectors available - additional maximum 4.  
**Cat. No. 701/1748 £89.99**

**8 MICROMARK SATELLITE WIRELESS  
INTRUDER ALARM SYSTEM.** Simple to  
install, ideal for home, office and  
conservatory. Comprises: key pad control  
panel with internal siren, external siren  
housing with 110 dB siren, 1 wireless door  
contact set, 2 wireless passive infra red  
movement sensors. The system has many  
programmable features including adjustable  
entry/exit times, siren duration and personal  
pass code. Five zones including 24 hour  
and personal attack circuit. Full/part guard  
mode for night time convenience. Complete  
instructions, helpline number for installation  
support. Additional accessories available via  
in-pack leaflet. Battery low indicator. Mains  
operated (10m cable, cable clips and adaptor  
included). Requires 6 x 6LR61 standby  
batteries (order 6 of 980/0971 at £2.95  
each).  
**Cat. No. 701/2118 £129.99**

# Your guide to security lighting

**'I'm not sure which lighting system will suit my needs. What should I look for?'**

**PIR** (Passive Infra Red) units automatically switch on the lights when someone approaches. Many have adjustable sensitivity to stop them being activated by things like falling leaves. Most also let you adjust the time the light stays on for.

**Microscan 240™** – these new generation miniature detectors have a shorter range than standard PIR units, but are more attractive.

**Override** – means you can choose to have the light on continuously. This is either manual or automatic.

**Photocell** – automatically stops the light coming on during daylight.

**Switching capacity** – some floodlights have this facility. It means you can connect several lights to one PIR unit, up to the maximum wattage stated.

**PARTNERS  
AGAINST  
CRIME**

62% of all arrests are thanks to public cooperation. To find out how you can help reduce crime in partnership with the police, please call for our free booklet on:

**For Your Information**

Should you have any queries regarding your security lighting please call the appropriate telephone number, during normal office hours.

**SECURITY LIGHTING:** Security lights with built-in Passive Infra Red (PIR) units automatically switch on your lights when approached by an intruder or visitor. It is recommended that security lighting is fitted by a qualified tradesman.

Please note, all sizes quoted are approximate.

Please note, bulbs are not included unless otherwise stated.

All electrical items on these pages are supplied complete with either a fitted plug or plug adaptor.

**Cat. No. 321/7601 £49.99**

**Argos Gift Vouchers**  
SEE PAGE 723

**For Your Information**

CAVITY BACK HEAD DESIGN  
■ Hollow back shape distributes weight around the hitting area.  
■ Creates a larger "sweet-spot" giving a more "forgiving" club on "off-centre" strikes.  
■ Weight concentration on the sole area helps the golfer achieve lift.

**23 S £49.99**

#### For Your Information

##### ROD LICENCES

It is a legal requirement to possess a  
valid National Rivers Authority Rod  
Licence when freshwater fishing in  
England and Wales (unless you are  
under 12 years old). These are  
available from all Post Offices. All  
income from rod licences is spent  
on protecting and improving  
fisheries.

Please note, all sizes quoted are  
approximate.

### For Your Information

#### ACCESSORIES

For cycling accessories, please refer to page 88-89.

\* BE SAFE. \* BE SEEN. \* WEAR A HELMET.

#### BICYCLES

Please note, pedals have to be fitted, and handlebars and saddles adjusted. Please refer to manufacturer's in-pack leaflet for step-by-step instructions.

#### SIZING GUIDE

Check your inside leg measurement to find the correct frame size to suit your needs. (Inside leg is measured from the crotch to the ground - NOT trouser length.)

Should you have any queries regarding your product, please call the appropriate telephone number.

during normal office hours.

# Your guide to choosing keep fit equipment

With our range of in-home exercise equipment you can exercise where and when it suits you. We have equipment for men and women of all ages, for beginners and for experts, whether you are looking for light exercise or 'serious' bodybuilding.

Before you start we recommend two key safety tips:

- Always consult your doctor before starting a new exercise programme which will involve much more exercise than you are used to.
- Never let children near any equipment whilst in use, as serious injuries can be caused by moving chains, wheels and spokes, etc.

**'I'm looking for light exercise that will improve my general fitness and stamina?'**

Look for:

**Exercise bikes** help you build up your aerobic capacity and are great for toning up the muscles in your buttocks, hips, thighs and legs. Dual or Triple action models are also available which provide upper body exercise too.

**Steppers** provide one of the best forms of cardiovascular workout, using the largest body muscle groups and strengthening, toning and contracting muscles. Steppers are available in various formats from basic floor steppers to stepper climbers with electronic monitoring.

**Treadmills** are similar to jogging or walking and are recognised as one of the most intensive workout machines. Treadmills are available in both manual and electric versions.

**'How can I exercise and tone my whole body?'**

Look for:

**Dual action cycles** have pivoting handlebars so you can pedal and row at the same time, exercising both the upper and lower body.

**Ski machines** simulate cross-country skiing which is one of the best total body workouts, both anabolic and aerobic, exercising both upper and lower body, and improving your stamina.

**Rowing machines** are great for all round exercise by strengthening your legs and exercising your upper body.

**'I've decided to take up body building. What equipment do I need?'**

Look for:

**Weights and benches** - use either a barbell or dumbbell bar depending on the type of exercise you want to do. A bench can be used in conjunction with a set of weights, to further develop your training programme.

**Multigyms** are the most comprehensive fitness and body building machines for developing your muscles. They are fully adjustable so that you can progressively increase and decrease the weights and resistance on them.

We've included a dimensions box next to each multigym, but do allow for the extra space needed when the equipment is in use.

### For Your Information

#### GAS BARBECUES

Where applicable, gas barbecues are supplied complete with a reusable lava rock which ensures the traditional barbecue flavour without the mess or inconvenience of charcoal. Using bottled gas, they are clean, safe, economical and powerful. Gas gives total cooking control and is ready to use within approximately 10 minutes. All of our gas barbecues are supplied with a regulator unless otherwise stated. Gas bottles are not supplied unless otherwise stated.

#### SLEEPING BAGS

All our sleeping bags are fully washable and have full length zips either for conversion into a bed duvet, or to enable two bags of the same style (except item no 21) to be joined together.

#### SLEEPING BAG SIZES

Sleeping bag dimensions are approximate and are measured with the bag fully opened, and laid as flat as possible. Dimensions for width are then halved.

### For Your Information

#### GRADES OF UPHOLSTERED FURNITURE

In order to help you select the upholstered furniture which will be most appropriate for your individual needs, all the items in our upholstered range have been graded to indicate their suitability. The gradings are a guide to the relative durability of the furniture and the frequency of use for which they are designed.

OCCASIONAL - Suitable for occasional use.

LIGHT - Suitable for regular, but not everyday use.

GENERAL - Suitable for everyday family use.

# Your guide to choosing a bed

## Care of your new bed

After delivery, keep the bed uncovered for a few hours so the mattress can air thoroughly. Do not roll or bend the mattress. Turn the mattress frequently from end-to-end and side-to-side.

All our beds are tested to comply with the British Standard BS7177 for resistance to ignition of mattresses, divans, and bed bases.

**'Which bed will suit us, in terms of comfort and support?'**

When buying a new bed, you need to choose the right combination of mattress and base to suit you.

**Sprung mattress** – open coil springs spread your weight evenly across the mattress. The firmness of the mattress depends on the gauge of the springs, and varies from 13 gauge (firm) to 13.5 gauge (medium firm).

**Platform Top base** – unsprung, adding firmness and support to the mattress.

**Sprung Edge base** – edge to edge springing gives extra comfort to the bed, while supporting the mattress.

**Orthopaedic** – a 13 gauge spring unit is combined with specially selected layers of upholstery to give extra firm additional support.

**'What different storage facilities are available?'**

**Slide doors** – on single beds, these are on the side of the bed and give access to the whole of the area under the bed. On double beds, the doors are on the end of the bed and give access to half the area under the bed.

**Drawers** – all drawers have metal runners to make them easy to use. Two drawers means one drawer either side of the bed, giving access to half the total area under the bed. Four drawers means there are two drawers on either side, giving access to the whole of the area under the bed. An end drawer is a wide drawer at the foot of the bed.

**Continental drawers** – designed for use alongside bedside cabinets and tables, where ordinary drawers would not open.

**1 PERFECTA BEDS GUEST BED.**  
13 1/2 gauge deep quilted mattress. 36 cm high platform top base with insert guest bed on castors. Size master bed (L)190, (W)90 cm (3 ft). Guest bed size (L)175, (W)75 cm (2 ft 6 ins). Free home delivery, see page 722.

## For Your Information

### DUVET TOG RATINGS

Please note that the thermal insulation (warmth) of a duvet is expressed by the term "tog". The higher the tog rating, the warmer the duvet. The British standard minimum tog bands are as follows 4.5 tog, 6.0 tog, 7.5 tog, 9.0 tog, 10.5 tog, 12.0 tog and 13.5 tog. All of our duvets within these tog bands conform to BS 5335.

Please note, all sizes quoted are approximate.

## For Your Information

### HEAT LEVELS

All of our electric under/over blankets have three or more heat levels. The higher the number, the hotter the temperature. All of our electric blankets also feature full overheat protection.

### DUAL CONTROL

Some of the double electric under/over blankets featured have dual controls. This enables the two sides of the bed to be at different heat levels, according to personal preference.

**KENWOOD**

16 £79.00

**DeLonghi**

DELONGHI FPCC COOL WALL ROTOFRYER. Requires half the usual amount of oil which means frying temperature can be reached more rapidly and maintained longer. The angled basket then revolves on a motorised axis, resulting in the food being alternately dipped into and taken out of the hot oil. Food is left uniformly fried, less saturated and crisper. Should an obstacle hamper the progress of the basket, it reverses its rotation automatically. Also features a special oil drain tube which allows oil to be removed easily without turning the fryer over.

- 1 kg food capacity.
- Anti-odour charcoal filter.
- Hermetically sealed lid.
- Safety rise and fall basket.
- Condensation collecting container.
- Variable thermostat.
- Temperature control light.
- Twin filter system with "change filter code".
- Cool wall.
- Push button lid opening.
- Cord storage.

Cat. No. 421/4108 £79.00

# Information about microwave ovens

## 'What are the benefits of using a microwave?'

- Microwave ovens can be used for most types of cooking, for defrosting, and for reheating pre-prepared food.
- Cooking by microwave is up to 75% faster than in a conventional oven and, as less energy is used, it is more economical.
- Food cooked by microwave stays nutritious and tasty. The food is cooked so quickly that it retains more goodness and fewer vitamins and minerals are lost. Most food can be cooked without any fat or oil.

## 'How do microwave ovens work?'

Microwaves cause the moisture molecules in food to vibrate very fast. The friction created produces heat. The heat spreads quickly through the food and this is why you need to stir food at intervals during cooking, and allow standing time at the end.

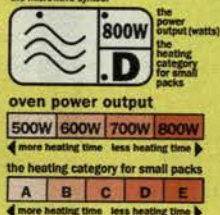

All our microwave ovens conform to British and European Standards of Safety. They are also checked by our own Quality Control department. For further information call the Independent Food Advisory Centre on 0800 282407.

## 'What should I remember when using my new microwave?'

- Most new microwaves display a label (like the one shown here) relating to the new heating instructions on small ready-meal packs. By matching the information on the pack with that on your microwave, you will be able to calculate the heating time required accurately.
- Always let food stand for a minute or two after cooking.
- If possible, stir or rearrange food halfway through cooking, reheating, or defrosting, to make sure the food is heated evenly.
- Reheat food at a temperature higher than 70°C for at least 2 minutes.
- Food straight from the refrigerator is colder than room temperature, and so might need slightly longer cooking time than normal.
- Always follow manufacturer's instructions and any cooking instructions on food packs. However, instructions for microwave cookery are to be used only as a guide. You may find that slightly more or less cooking time is needed.

This is an example of the oven label: (reproduced by permission of MAFF)

## Your guide to choosing a microwave

**'What are the main features that we should consider?'**

**Size/capacity** – the capacity of microwave ovens is measured in cubic feet (cu ft). This can be used as an indication of the amount of food which can be cooked, defrosted or reheated.

**Wattage (output power)** – the higher the wattage, the more powerful the oven, and the faster it will be able to cook. All our microwaves have different power settings, including defrost.

**Grill** – some ovens have a grill so you can brown and crisp your food to finish it off. Other models let you microwave and grill at the same time.

**Turntables** – all our microwaves have a rotating turntable to ensure even cooking. Some models have 'boomerang' turntables that return to their original starting position when cooking is finished. This is useful for removing pots that have handles. All turntables are removable, for easy cleaning.

**'We've heard that microwaves operated by a key pad give more control and flexibility. What additional features should we look for?'**

**Controls** – All our ovens are controlled by either a dial or (for more accurate timing and programming) by a key pad. All microwaves have timers which automatically switch off the cooking cycle once cooking is complete.

**Delay start** – you can programme your microwave to start cooking while you are out, so that your meal is ready when you get home.

**Sequence cooking** – means you can programme your microwave to cook at different power settings for different lengths of time. Using this facility you can leave your oven to defrost, cook and keep your food warm until you are ready to eat.

**Programmable memory** – lets you store the time and power settings that you most frequently use in the memory (eg 3 minutes on full power or 10 minutes on defrost). You can then access the setting at the touch of a button.

**Auto weight defrost** – key in the weight and type of frozen food and the microwave will automatically defrost for the right length of time.

**Auto weight cook** – key in the weight, type of food and power level and the microwave will automatically cook for the right length of time.

**Auto defrost** – as food is defrosting the power level is gradually reduced so the food is thoroughly and evenly defrosted.

Please note, weights and measures quoted are approximate.

All electrical items on these pages are supplied complete with either a fitted plug or plug adaptor.

Argos 3 and 5 year Extended Guarantees are available on a wide range of microwaves. Please refer to page 3 for details.

All our microwaves have a minimum 1 year manufacturer's guarantee. However, for added peace of mind, you can take out an Argos 3 or 5 year Extended Guarantee. See page 3 for details.

Should you have any queries regarding your microwave oven please call the appropriate telephone number, during normal office hours.

## Your guide to choosing a combination oven

### 'How do combination ovens work?'

Combination ovens are a microwave, grill and convection oven all in one. You can cook using the microwave, grill, or convection oven individually, or using a combination of two methods. All models let you cook using a combination of microwave and convection oven and some also let you use the microwave and grill combined.

These combination modes give the speed and efficiency of a microwave whilst browning your food and allowing it to crisp. Most types of food can be cooked using these combination modes, but they are especially good for roast meat and poultry, cakes, vegetables and baked desserts.

Please note, all weights and measures quoted are approximate.

ACCESSORIES  
Argos sell a wide  
range of microwave  
accessories, please  
refer to page 301.

All electrical items  
on these pages are  
supplied complete  
with either a fitted  
plug or plug adaptor.

Should you have any queries regarding your  
Microwave Oven please call the appropriate  
telephone number, during normal office  
hours.

## For Your Information

Please note, batteries are not supplied unless otherwise stated and all sizes quoted are approximate.

# ELIZABETH DUKE THE COLLECTION

Welcome to the Elizabeth Duke Collection with 95 pages of quality jewellery and leading brand watches to choose from.

## Great Selection

- Whatever the occasion, you will find a gift at Elizabeth Duke to suit your needs and our friendly staff are happy to help with your choice.
- Choose from the latest designs available at prices you will find hard to beat.
- All jewellery comes gift boxed.

## Quality Jewellery

- We take great care to offer you quality jewellery at the best price.
- Our own Quality Assurance Department sets high quality standards for all items included in our range.
- All our diamond set rings, with over 10 points of diamonds, have guaranteed minimum diamond weights.

## Guaranteed For Satisfaction

- All our jewellery has the manufacturer's one year guarantee in addition to our famous 16 day money back guarantee (see page 717 for details). Please note this guarantee does not apply to earrings for pierced ears.
- For added reassurance valuation certificates are also available.

### Repair Service.

Refer to page 717 for details.

For quality, choice and value, Elizabeth Duke has something special to offer you.

## Convention Hallmark

Items of jewellery can come with various hallmarks. The following information should help you understand more about the quality jewellery you can purchase from Elizabeth Duke.

**The Sponsor's Mark.** The initials belong to the article maker or sponsor.

**Common Control Mark.** A legally recognised and approved hallmark applied to articles by assay offices in the UK, Austria, Denmark, Republic of Ireland, Finland, Norway, Portugal, Sweden and Switzerland.

**The Fineness Mark.** Certifies the quality of the gold and indicates its recognised carat value eg \*375 is 9ct gold and \*750 is 18ct gold.

**The Assay Office Mark.** Shows the place where the gold was tested for quality. Birmingham has an Anchor, Sheffield a Rose, Edinburgh a Castle, London a Leopard and Dublin a Boujet.

## Guaranteed Diamond Weights

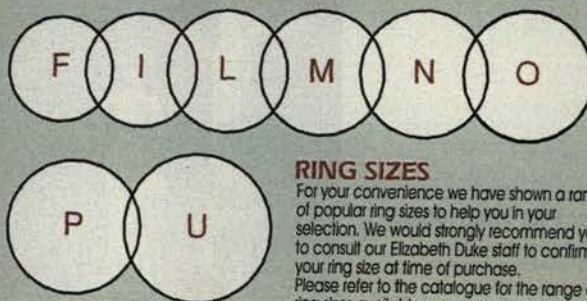

Diamond weight is measured in carats and points. One carat is divided into 100 points:  
 1 Carat=100 points.      1/5 Carat=20 points.  
 1/2 Carat=50 points.      3/20 Carat=15 points.  
 3/5 Carat=40 points.      1/10 Carat=10 points.  
 1/3 Carat=33 points.

Where diamond weights are quoted for Elizabeth Duke jewellery, they are a guaranteed minimum weight, for your assurance of quality and value.

CEYLON  
BLUE  
SAPPHIRE  
This high quality stone  
is a softer, paler shade  
of blue than the darker  
Australian Sapphire. As the  
stone is more transparent, light  
is able to reflect and refract  
throughout and thus gives  
the stone its attractive  
blue colour.

CEYLON BLUE  
SAPPHIRE &  
DIAMOND

AQUAMARINE

## AMETHYST & DIAMOND

THE BIRTHSTONE FOR FEBRUARY

AMETHYST  
Amethyst was reputed to be St. Valentine's favourite stone. It is said to bring luck and have mystical powers. Amethysts are found in a range of colours from pale lilac, to deepest purple.

# BIRTHSTONES

Stories relating to birthdays have been worn for centuries. Believed to have originated in Hebrew folklore the custom of wearing birthstones is still popular today. At Elizabeth Duke you can enjoy both tradition and fashion with our stylish range of birthstone jewellery.

# MOODSTONE

This is a synthetic stone which has a heat sensitive layer which responds to body heat to give an interpretation of the wearer's mood.  
**DAK BLUE** - Passionate extremely happy.  
**BLUE** - At ease, peaceful.  
**BLUE-GREEN** - Rather relaxed, but with emotional tension.  
**AMBER** - On edge and unsettled.  
**GREEN** - Normal reading, calm.  
**GREY** - Very nervous and under a great deal of stress.

## HAEMATITE RINGS

### For Your Information

**RING SIZES**  
All gents' rings are available from smallest size M, unless otherwise stated.

**HEAVYWEIGHT**  
The term "heavyweight" is used to differentiate between similar products of different weight.  
"Heavyweight" items are accompanied by a statement of their minimum weight.  
All weights quoted are approximate.  
Please note, some items are enlarged to show detail.

#### For Your Information

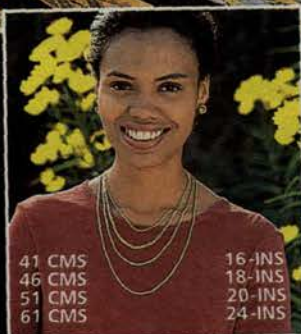

**LADIES' BRACELETS**  
Ladies' bracelets are approximately 17.8 to 19.1 cm in length, unless otherwise stated.

Please note, all lengths quoted are approximate.

Earrings are for pierced ears only.

#### SAFETY

Do not sleep with earrings in the ears.

#### † 16 DAY EXCLUSIONS

For reasons of health and hygiene, earrings for pierced ears are excluded from the Argos 16 Day Money Back Guarantee. This does not affect your statutory rights.

## For Your Information

### LADIES' BRACELETS

Ladies' bracelets are approximately 17.8 to 19.1 cm in length, unless otherwise stated.

Please note, all lengths quoted are approximate.

### T-BARS

Known as "Albert" chains, they originated mid 19th century. Prince Albert made them popular as a pocket watch chain and they are now fashionable today as a jewellery item.

## MOODSTONE

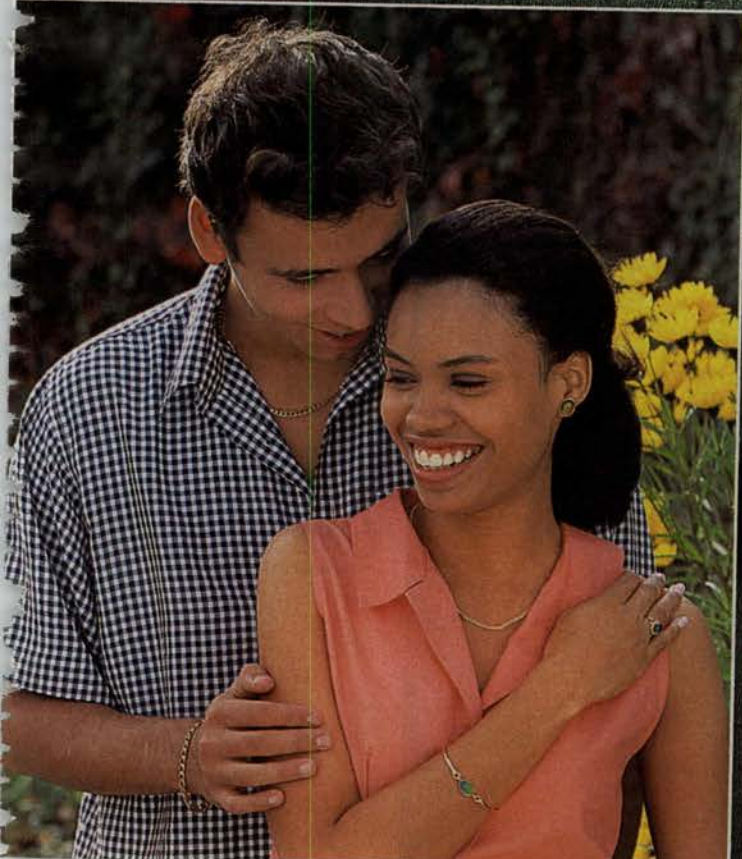

#### MOODSTONE

This is a synthetic stone which has a heat sensitive layer which responds to body heat to give an interpretation of the wearer's moods.

DARK BLUE	Passionate, extremely happy.
BLUE	At ease, peaceful.
BLUE/GREEN	Rather relaxed, but with emotional tension.
AMBER	On edge and unsettled.
GREEN	Normal reading, calm.
GREY	Very nervous and under a great deal of stress.

### MOODSTONES

This is a synthetic stone which has a heat sensitive layer which responds to body heat to give an interpretation of the wearer's moods.

Dark Blue - passionate, extremely happy.

Blue - At ease, peaceful.

Blue/Green - Rather relaxed but with emotional tension.

Amber - An edge and unsettled.

Green - Normal reading, calm.

Grey - Very nervous and under a great deal of stress.

### For Your Information

**9CT GOLD WATCHES**  
9ct gold watches are hallmarked. Some models are stamped inside the case back.

Every care should be taken with fine pieces of jewellery and contact with water should be avoided.

**AUTOMATIC WATCHES**  
Automatic watches do not require batteries and are powered by wrist movement.

**QUARTZ WATCHES**  
All quartz watches are dependent on batteries for their power source.

**STRAP/BRAZELT ADJUSTMENT**  
Some of the watches on these pages may need professional adjustment to the strap/bracelet. This service is offered free of charge. Ask in-store for details.

**SPLASH PROOF**  
Suitable for wearing whilst water is being splashed but not under any pressure, i.e. swimming or showering.

**WATER RESISTANT TO 50M.**  
Suitable for wearing whilst swimming for a short period.

**WATER RESISTANT TO 100M.**  
Suitable for wearing whilst swimming, poolside diving and snorkelling (not scuba diving).

Please note, our suppliers adopt a policy of continuous improvement. Hence there may be, during the life of the catalogue, minor variations in models, specifications and colours.

Earrings are for pierced ears only.

**SAFETY**  
Do not sleep with earrings in the ears.

**† 16 DAY EXCLUSIONS**  
For reasons of health and hygiene, earrings for pierced ears are excluded from the Argos 16 Day Money Back Guarantee. This does not affect your statutory rights.

Cat. No. 441/2780 £64.00

## For Your Information

ARE YOU TAKING YOUR APPLIANCE OVERSEAS? If so this simple guide may help.

• If your appliance has automatic or universal voltage there is no need to make any adjustment.

• If your appliance has a dual voltage switch you will not need to change the setting for European countries, most of which have 220-230V supply systems, although an adaptor would be required. However, if you take your appliance to the USA or Japan, you will need to change to the 110-130V setting on your return to the UK or other European countries.

## TAKING CARE OF YOUR SHAVER.

In order to prolong the efficiency/life of your shaver, frequent, thorough cleaning is required in accordance with your manufacturer's instructions. Foils and cutters should be replaced regularly. These are available via our mail order service, see page 720.

CORDLESS SHAVING TIMES. All shaving times are approximate and are based on an average of 3 minutes shaving per day. They are also dependent upon the strength and thickness of the beard.

Should you have any queries regarding your product, please call the appropriate telephone number, during normal office hours.

HITACHI: 0181 8492027  
PHILIPS: 0181 6892166

BRAUN

## SHAVING SYSTEMS

Flex Integral:  
Integral Cutter

Integral Cutter trims awkward stray hairs around the neck and the face while you shave. Twin foils give double action shaving performance for a close, smooth finish.

Flex Control:  
Pivoting Head

Unique pivoting action follows the contours of the face to ensure that

both of the twin foils are always in contact with the skin to give the optimum shaving angle.

## 1000 Series

## Pop-Out Trimmer

Long hair trimmer pops out for easier access to sideburns and moustaches.

## 2000 Series

## Combination Shave

Combined use of trimmer and foil shaves all hair including long and awkward ones.

# For Your Information

## EPIATORS

Item nos 21-23 are epilators, not shavers. They remove hair at the root. First time users will experience a painful sensation. This is quite normal and will be reduced with regular use. Please refer to manufacturer's instructions for full guidance and advice. These products are not recommended for people with varicose veins or diabetes.

## ARE YOU TAKING YOUR APPLIANCE OVERSEAS?

Please refer to page 485 for voltage details.

Should you have any queries regarding your products, please call the appropriate telephone number during normal office hours.

BRAUN:  
PHILIPS:

01932 785611  
0181 689 2166

**20 PHILIPS LADYSHAVE AQUA HP2710** WET/DRY BATTERY SHAVER. Ultra fine nickel shaving foil for closer shave. Foil protection cover. Straight trimmers to guide and cut longer hairs. "Wave" shape for easy handling. Removable head for easy cleaning. Cleaning brush. Batteries included.

**SOLARIA**  
Many modern solaria come fitted with R-UVB tubes. These are standard to UVA tubes but have a reflective coating on the back half of the tube to project all the ultra-violet light forward, so making the tubes "fast tanning". All of our solaria come with safety goggles and full instructions. It is important when using a solarium to always wear the safety goggles provided. Do not exceed the manufacturer's recommended exposure times.

Should you have any queries regarding your product please call the appropriate telephone number during normal office hours.

Exclusive to Argos 15 multi-headed spray carnations, or 15 long stem carnations and 15 freesia with added greenery.  
\* Fresh flowers delivered anywhere in the U.K. or Republic of Ireland direct from Jersey by first class post.  
\* Personal message card (up to 10 words).  
\* Includes flower food, care instructions, gift packaging and delivery.

To order, call our Flower Hotline number on 01534 865635 quoting your credit card or Argos Personal Account number and reference ARG-SS-45A. Lines open 7 days a week 8am-6pm. Or alternatively complete the coupon on page 715 and send with your cheque payable to Flying Flowers Argos Bouquet Offer, Flying Flowers, PO Box 373, Jersey JE4 8UQ. Although the flowers are delivered by first class post the exact delivery date cannot be guaranteed. To allow for specific "required by date" please allow 10 days from placement of orders by post. The closing date for Mothers' Day orders is 10th March 1996. The closing date for Easter orders is 1st April 1996. Orders received by 12 noon on Mon-Fri will be despatched the same day, on request (excluding 1st March to 1st April).

Please note when ordering, the two references are:-

**15SPY** 15 spray carnations.

**30FAM** 15 mixed carnations/15 freesia.

Flying Flowers are delivered "in bud" so they last longer. Their promise states "in the event of any complaint received within 7 days of receipt, we will replace the bouquet to the same value as ordered or refund in full". This product is excluded from the Argos 16 day money-back promise. This does not affect your statutory rights.

One box of 15 carnations ONLY £9.99

One box of 15 carnations/ 15 freesia ONLY £17.49

**Cat. No. 561/2541 £19.50**

# Your guide to choosing a camera

**'We want a simple camera that is easy to use. What should we look for?'**

**'I would like a camera that will let me take creative pictures'**

**'What features will let us take top quality photos?'**

**Look for:**

**Low light flash indicator** shows you when you need to turn the flash on.

**Auto/Sensor flash** - works automatically when there is not enough light. On some cameras you can turn this off for atmospheric shots.

**Motorized load** winds the film to the first frame ready for use.

**Motorized advance** automatically winds the film onto the next frame.

**Motorized rewind** will rewind the film ready to take out.

**DX Coding** means the camera automatically adjusts to the speed of film you are using.

**Look for:**

**Twin lens** lets you choose between a normal or a close-up shot depending on how you want to frame the subject.

**Zoom lens** lets you bring the subject closer and frame the shot as required without having to move. The bigger the zoom, the nearer the image.

**Macro facility** lets you take focused close-up shots.

**Panoramic facility** produces special 'stretch prints' to create wide panoramic scenes. Switchable Panoramic allows the user to switch in and out of panoramic mode for each shot.

**SLR (Single Lens Reflex)** SLR cameras allow you to see exactly what you are photographing because you view the scene through the lens. They also allow you to fit additional lenses or other accessories, for more creative photographs.

*NB. You should advise your processor before submitting films containing panoramic exposures, since they cost more to have developed and not all processors have the capability to print them.*

**Look for:**

**Fill-in flash** - for when the subject is in the shade or against a bright background.

**Red-eye reduction** - uses a 'pre-flash' or a light to contract the subject's pupils to reduce red-eyes in photos.

**Auto exposure/programmed shutter** - the aperture/shutter speed varies according to different light conditions.

**Backlight compensation** adjusts the exposure for bright backgrounds, like snow or sand.

**Auto focus** ensures that the subject in the centre of the viewfinder is always sharp. Focus lock allows you to hold your subject in focus while you re-compose the shot. Infinity lets you override the auto-focus when photographing through a window.

**Self-timer** tells the camera to wait so that you can be in the shot too!

**Date facility** can print the date on the edge of your photos.

**LCD panel** - typically shows current flash mode, number of exposures taken, auto exposure modes etc.

3 and 5 year Extended Guarantees are available. Refer to page 3 for details.

3 year cover  
885/0245

£75.99

5 year cover  
885/0740

£138.99

Should you  
have any  
queries,  
please call the

appropriate number  
during normal office  
hours.

Canon 0181 459 1266

JVC 0181 450 3282

Sharp 0161 205 2623

Sony 0181 784 1144

When using any of the supplier  
helplines from the Republic of  
Ireland, you must add the  
prefix 0044 and remove the  
first zero from the UK prefix.

## Argos Personal Account

Buy your camcorder now  
and spread the cost to suit  
your budget.

Refer to page 2 for details.

**'What's the  
difference  
between the  
two tape  
formats you  
can get?'**

Look for:

**8mm tape** is a small cassette which gives  
up to 1½ hours recording, or 3 hours with  
a long play facility. Tapes can be played  
back by plugging the camcorder directly  
into your TV or VCR using the leads  
supplied. You can copy your recordings  
onto normal VHS video tape, via your VCR.

**Hi-8mm tape** is in the same format as  
above, however Hi-8mm records with  
higher picture resolution and sound  
quality. (NB: to take full advantage of this  
tape format, it needs to be used with a  
television with stereo video capability)

**VHS-C** is a compact version of a normal  
VHS tape, giving up to  
¾ hour recording, or 1½ hours with a  
long play facility. VHS-C tapes can be played  
in your VCR using the adaptor that comes  
with all our VHS-C camcorders. They can  
also be played back by plugging the  
camcorder directly into your TV or VCR,  
using a 21 pin SCART socket. If you don't  
have a TV or VCR with this type of socket,  
you will need to buy an RF lead and  
adaptor - available from Argos Mail Order  
Services (phone 0161 976 4505 or ask in-  
store for details).

**'I want to record  
a range of  
subjects, from  
my son playing  
football, to  
family get  
togethers!'**

Look for:

**Power zoom** lets you zoom-in  
close with a smooth action. '10x  
zoom' means ten times magnifica-  
tion - the higher the number,  
the closer you can zoom-in.

**Full range auto focus** means  
that the subject stays in focus, at  
close range or at a distance.

**Programme auto exposure  
modes (Director modes)** -  
you can select different auto  
exposure modes that are  
programmed for different  
situations (eg sports, twilight,  
parties).

**Macro** - a facility that lets you  
focus on really close-up subjects.

**Variable shutter speed** - slow  
speeds are used for low light  
conditions, and high speeds for  
recording fast action clearly.

**Lux illumination** - the lower the  
minimum lux illumination, the  
less light is needed for clear  
recording.

**'I want a  
camcorder that  
will give top  
quality results  
and is convenient  
to use.'**

For quality results, look for:

**Intelligent Auto Iris** controls the amount  
of light allowed through the lens so you get  
clearer pictures with better colour balance.

**Fader** lets you smoothly fade in and out of  
different bits of recording.

**Flying erase head** gives you a better  
quality picture when you record over old  
recordings.

**Title facility** lets you superimpose text  
messages onto your recordings.

**Colour viewfinder** allows you to view in  
perfect colour exactly what you are filming.  
Instant replays have added colour quality.

**Hi-fi Stereo** - records voices and sounds  
in stereo giving great clarity and realism on  
playback.

For convenience, look for:

**Edit/camera search** - you can look at  
recordings you have made through the  
camcorder. This is useful for editing or  
finding the right place on the tape to start  
recording from.

**Long play/record** lets you record and  
play back for twice the normal time, so  
you get 3 hours on a 1½ hour tape.

**Infra-red remote control** lets you  
operate some, or all, of your camcorder's  
facilities remotely.

When selecting a pair of binoculars, there are specifications shown, such as 20 x 50 mm. The "20" represents the magnification power and the "50 mm" indicates that the front objective lenses of the binoculars have a diameter of "50 mm". With zoom models, the binoculars have the versatility of offering variable magnification power, the use of a tripod is recommended. Please see page 520 for tripod details.

# Home computing

## Argos gets you started

We've selected IBM, Olivetti and Apple multimedia computers, all renowned for quality and reliability. They come complete with lots of software for all the family.

With free home delivery and installation, you'll be up and running in minutes.

**'What type of software do computers from Argos come with?'**

**Home office** software, for running your home or small business.

**Educational** software - encyclopedias and other packages for all age groups.

**Leisure** software - for example, golf or music.

**Games** - exciting games with great graphics.

**Lessons to get you started** All our computers have tutorial software.

**Preloaded software** - once the installation is complete, your software is ready to use.

All our desktop computers run **multimedia** software. They have a CD-ROM, stereo sound and great graphics.

See Page 537 for the famous Dorling Kindersley range of multimedia CD-ROMs.

**'What are the benefits of buying my computer from Argos?'**

**Free home delivery and installation\*** You don't have to waste time and energy working out how to set up your machine.

**All packaging taken away** If you want us to, we'll take all the bulky packaging away and dispose of it for you.

**Helpline** There are helplines to call if you have any problems.

**In-home repairs** If your computer goes wrong during the 12 month guarantee, we come to your home for repairs - no charge.

**16 day money back guarantee** (not software) If you're not happy with your choice, you can bring it back within 16 days (see page 3). This is in addition to your statutory rights which remain unaffected.

**Great deals on printers** (see page 533) Most computer users find they need a printer. Save up to £50 when you buy a printer at the same time as your computer.

\* Delivery is normally within 7 days. We regret that free delivery and installation is not available in Channel Islands, Isle of Man, Orkney, Shetland and the Western Isles.

## Jargon BUSTER

### CD-ROM drive

This stands for 'Compact Disc - Read Only Memory'. It means you can use advanced CD software with superior sound and video.

**Quad speed** drives are faster than Dual speed drives.

### Expansion slots

You can add extra capabilities to your computer with add-on boards which fit into expansion slots. On IBM and Olivetti PCs these are either ISA (Industry Standard Architecture) or the new and faster PCI (Peripheral Component Interconnect). **MPEG** cards add video capabilities.

### Graphics

Software with a lot of graphics needs extra memory to run quickly. This can come from **DRAM**, (Dynamic Random Access Memory), where the computer rewrites the information every thousandth of a second to provide increased short-term memory. Another way is to use internal cache memory, which uses a temporary holding area in the computer's memory. This is measured in Kb (kilobytes). Video RAM lets you manipulate images more quickly, and a Windows accelerator card will increase screen speed for Windows applications.

### Hard disk drive

This is where you store software and data. You'll need a lot of space if you want to store graphics. Hard disk space is measured in Megabytes (Mb) or even Gigabytes (which are 1000 Mb). All our computers have a diskette drive for storing information on removable diskettes, also known as floppy disks. These are used for installing new software, backing up your data, or transferring files between computers.

### Keyboard and mouse

All our computers have a standard 102-key keyboard and a mouse - a pointing device which you move with your hand to control the pointer (or 'cursor') on the screen. Laptops have a trackball (Apple) or track point (IBM) instead of a mouse.

### Memory

Memory refers to the temporary storage space your computer uses while you're working. It is measured in Mb (megabytes). A memory of 1 Mb means the computer can hold 1 million bytes of data at a time. **RAM** means Random Access Memory, and the more you have, the more things you can work on at one time. All our computers have enough RAM for the software provided. Additional RAM can be added-on.

### Microprocessor

This is the brains of your computer. Higher **speed** (measured in Megahertz) costs more, but it's good for complex games and graphics. There are two main kinds of processor. IBM and Olivetti PCs use Intel DX or Pentium processors (or an equivalent brand). Apple computers use either Motorola 6800 or the Power PC 603 RISC series processors.

### Modems

Computers with modems let you send or receive faxes, and subscribe to the **Internet** - the worldwide information network everyone is talking about. You can also use your computer as an answering machine.

### Monitor

This is the screen. It is measured diagonally, but the viewable area is slightly smaller. We've chosen computers with high-resolution colour monitors to make the most of your graphics and be easy on the eye. A **TV tuner** means you can watch TV from your computer screen.

### Operating system

This is the software that makes your computer work. IBMs and Olivettis use DOS and **Windows 95**. Apple Performas use the Mac OS system with its famous icon-based desktop.

### Preloaded software

'Software' means the programs your computer can run, such as word-processors for writing documents, or games. All our computers come with software already installed, and a variety of popular CD-ROM titles.

### Sound

All our computers have built-in speakers to get the most out of games and multimedia software. **Active speakers** have a higher quality of sound and those with more watts will be louder. All our computers also have a sound card. **Soundblaster** is the leading brand.

## Laptop personal computers

If you want portable computing power, then a laptop is the perfect solution. Although just about the size of a sheet of A4 paper, and a few centimetres deep, these laptops are complete PCs, capable of running the same software you would use on a larger machine. Laptops operate from the mains or from batteries. Instead of a mouse, you use an integral Trackball (Apple Powerbook) or Track Point (IBM Thinkpad) pointing device. And if you need to send and receive data or faxes, you can connect an internal or external modem to these laptops.

**1 S SUPERSTORES ONLY****IBM THINKPAD 340C**

A great-value laptop with a 256-colour screen so you can work on presentations and charts in full colour. You get all the benefits of buying IBM – including 6 months interest-free credit and Helpware technical support.

2.72 kg

**Preloaded software**

ClarisWorks (combines word processing, spreadsheet, database, graphics and communications capabilities)  
eWorld™, Apple on-line service and PowerBook Mobility

## Your guide to choosing a printer

**'Do printers differ much, in terms of print quality?'**

Look for:

**Dot matrix** works by pins striking a ribbon onto the paper. 24 pin printers give smoother definition for letters and graphics than 9 pin printers.

**Ink jet/bubble jet printers** give clear, crisp print quality in mono or colour. They are also quiet in operation.

**Laser printers** are quiet and give the best quality mono prints.

**LQ** stands for Letter Quality printing.

**NLQ** stands for Near Letter Quality.

**DPI** stands for Dots Per Inch. The higher the DPI, the better the definition and print quality.

**'I need a printer that is fast and versatile. What should I look for?'**

Look for:

**Print speed** is measured in characters per second (CPS) or pages per minute (PPM). Some printers have different speeds depending on the choice of print quality. *Draft* is fast, low density printing, used for initial proofs.

**Buffer memory** lets the printer store information from the PC, so you can carry on working while your document is printing in the 'background'.

**Fonts** are different styles of typeface you can choose from, to change the appearance of your work.

SEE PAGE 717

**'How do electronic typewriters differ from manual ones?'**

Look for:

**Correction memory** lets you correct up to two lines of text you've just typed, so you can go back and change mistakes.

**Text memory** - a 6k memory means you can store about 3 pages of text, a 12k memory means you can store about 6 pages.

**Liquid Crystal Display (LCD)** lets you review and edit text on screen before printing.

**Justification** - this facility makes all lines of text the same length by inserting extra space between words (like in a book).

**Spellcheck** means the typewriter has an electronic 'dictionary' to check your spelling against.

**Decimal tabulation** - this facility automatically lines up the decimal points in a list of numbers.

**Print speed** is measured in characters per second (CPS).

**Typing pitch** is the number of characters that can be typed per inch, on a line.

**'What are the advantages of a word processor?'**

Word processors have all the benefits of an electronic typewriter (like justification and Spellcheck) plus larger displays and a larger memory capacity. They all use 3½ inch floppy disks.

In addition, look for:

**Block/Copy/Move and Delete** - these features let you edit text quickly and easily.

**'Search and replace'** lets you amend every occurrence of a specific word or phrase throughout the document, in a single operation.

**Address/Mail merge** - a list of names and addresses can be merged with a letter so you can print the same letter personalised for different people.

**MS DOS file format compatibility** means you can save documents in DOS format so they can be transferred to a PC (personal computer), operating in DOS format, given software compatibility.

**'Do all word processors use the same method of printing?'**

Our word processors have one of three different types of printer:

**Daisy wheel** - gives letter quality print at a speed of 13-15 characters per second. To use different type styles, you just fit a new daisy wheel.

**Thermal transfer** - gives draft and letter quality printing on normal paper. Thermal transfer is faster and quieter than daisy wheel printing, and you can use different styles and sizes of type, without changing any parts.

**Bubble jet/Ink jet** - gives near laser quality print. This method is fast, quiet and can print in different styles, sizes, and shades.

## Argos mail order service

For daisy wheels, ribbons and software accessories for typewriters and wordprocessors. Call 0161 976 4505 (24 hours) for credit card orders.

Or pick up an order form from your local Argos store.

# Your guide to choosing a fax machine

**'Are there any practicalities that I should think about before I buy a fax machine?'**

Fax machines need to be plugged into both an electric socket and a plug-in telephone socket.

If you have any phones or an answering machine on the same line as your fax, you may require an external fax switch (see item 11).

**TAM interface** - lets you connect your fax to a Telephone Answering Machine so that messages can be directed to the fax or the answering machine automatically.

**REN (Ring Equivalent Number)** - all telephones, answering machines and fax machines have a REN, normally shown on a label underneath. The maximum total REN you can connect to a single phone line is 4.

**Repair Service**  
items 1-10  
See Page 717

## FACSIMILE MACHINES

All facsimile machines sold by Argos are mains operated. They therefore, require both a telephone socket and a 13 amp power point to be adjacent to each other.

**'What features do fax machines offer?'**

**Grey scales** give different levels of shading. The more levels, the better the quality of photos and pictures.

**Fine/Superfine mode** gives you better reproduction of detailed documents you send.

**Auto document feed** means you can leave several pages on the fax and it will feed them through automatically.

**Activity report** - a summary of documents transmitted and received.

**Automatic paper cutter** cuts the paper for you when a fax is received.

**Anti-curl system** - a special paper feed mechanism reduces curling, so your fax documents are easier to handle and store.

**BROTHER:**  
**PANASONIC:**

0161 330 6531 ext. 3012

systems specified in the  
instructions for use  
subject to the  
conditions set out  
in them

**'What new  
features are  
available on  
modern  
phones?'**

Look for:

### Select Services -

there are many services available now, including *Call Diversion* (people can speak to you on the phone even when you're away from home), *Call Waiting* (people can get through to you when you're already on the phone), and *Call Return* (lets you know the number of the last person to call you). These are available from BT for a quarterly rental charge, if you have a tone dialling or dual signalling phone. Call BT free on 150 for more information.

**Memories** - for storing your frequently used or important numbers so you can recall them at the touch of a button (or two).

**Last number re-dial** - can automatically re-dial the last number you dialled. Useful when a number is engaged.

**Mute/secret button** lets you speak to other people in the room without being overheard by the caller. (Putting your hand over the receiver doesn't work!)

**On-hook dialling** lets you dial without lifting the receiver. A speaker means you can hear when the phone is answered, then you simply pick up the receiver to speak.

**Hands free speech** lets you talk and listen without lifting the receiver.

**'A cordless phone  
would be great.  
Do they work  
differently to  
normal phones?'**

**Cordless phones** allow you to receive or make calls around the home and even in the garden. You can page the handset (or user!) from the base unit. Some also have an intercom between the base unit and handset.

The base unit must be connected to a mains supply and an approved telephone socket. You put the handset in the base unit to recharge. A battery back-up means the phone can still be used during a power cut.

The quality of reception won't be quite as clear as on a conventional phone, because of interference - especially if you are a long way from the base unit or if there are walls in between.

**Multi-channel facility** - cordless phones can operate over different frequency channels. A multi-channel facility means you can switch between channels (up to 8, on some models) to get the clearest reception.

**Compander/digital noise reduction** is now available on many newer cordless phones. This filters out background noise to give improved reception.

**'What  
practicalities  
should I consider  
when buying a  
telephone?'**

Look for:

**Ring Equivalent Number (REN)** - all telephones have a REN. The maximum total REN you can connect to a single line is 4. For example, two REN 1.5 phones and one REN 1 phone, or, four REN 1 phone.

**PABX** compatible telephones can be used with most PBX exchange or switchboard systems. Use the manufacturers' helplines for more information.

**Ringer volume control** lets you adjust the volume of the telephone ring.

### Sockets

All Argos phones need a plug-in type socket. If you don't have this type of socket, contact BT and ask about conversion.

### Mercury

You can now use the Mercury network from your home via a BT line. For a small annual fee you will receive a PIN code that lets you make cheaper calls on some charge bands. Some phones have a Mercury button that you press to dial into the Mercury system. On other Mercury compatible phones you can programme one of the memories to perform this function.

Please call the Mercury Helpline free on 0500 500 194 for more information.

## Your guide to choosing an answering machine

All answering machines will record messages, and some have a built-in receiver so you can use them as a normal telephone as well. To install your machine, you need an electricity socket near to a plug-in telephone socket. Some separate answering machines also need a telephone socket doubler (Cat No 535/2447) to connect alongside your telephone. This is indicated in the text where necessary.

### 'What features do most answering machines offer?'

Look for:

**Call count** displays how many messages have been left, on an LCD panel or by a flashing light.

**Day/time stamp** records the day and time messages are left.

**Call screening** lets you interrupt a message being left, if you decide to take the call personally, once you know who it is.

**Ring selector** - answering machines are activated after a certain number of rings. **Ring selector** lets you choose how many rings, so you can give yourself enough time to take the call if you want to.

**Remote access** means you can listen to messages without going home. You use any tone dialling phone to do this, and some machines are supplied with a remote tone pad so you can use older, pulse dialling phones as well. Some models let you do other things remotely, like changing your outgoing message.

**Micro cassette** - most machines use a micro (rather than standard size) cassette, although some of the latest models use digital recording.

### 'What advantages do more sophisticated models have?'

Look for:

**Digital recording** - the message is recorded digitally, so there's no tape, and no fast-forward and rewind between outgoing and incoming messages which delays the caller. Some models have a digital recording facility for your outgoing message, but record incoming messages on a micro cassette.

**Digital voice prompt** - a digital voice guides you through the various operations and tells you information, such as the number of calls received.

**Memo facility** lets you leave a message on your answering machine for someone else to hear when they come in.

**Answer only option** - will answer calls with your pre-recorded message, but will not let the caller leave a message. This option is useful if you are away for several days.

**Two way conversation recording** lets you record a conversation - useful for directions or instructions.

**Branch phone reset** lets you intercept a call from another extension even if the answering machine has already been activated. It will rewind and reset automatically.

Please note, phone packs containing vouchers with free connection, SIM card and insurance are available in-store. Phones will be delivered within 24 hours of receipt of the correct paperwork (in pack, with pre-paid envelope). Offer subject to status, and a standard airtime contract with Talkland International (UK) Ltd. 16 day money back guarantee applies, provided that the phone pack, including SIM card and mobile phone, are returned in original condition. Argos Distributors Ltd reserve the right to have mobile phones checked by the manufacturer for faults before a refund is given. Connection is available on Vodaphone Personal World only. All tariff charges correct at time of going to press. Monthly rental only by Direct Debit. Free insurance offered by National Insurance Group PLC. Cover is for 6 months for theft and damage. This does not include theft from a vehicle. £50 excess is payable on all indemnified items for replacement or repair. (Theft of a phone could involve a replacement cost of £350 or airtime contract charges of £211.50 including VAT.) Unauthorised call charges are covered to a maximum of £100. See conditions of insurance for further details. (Vodaphone tariffs quoted above exclude 17.5% VAT.)

PSION: 0171 258 7376

We operate a mail order service for Sharp ZQ and Psion Accessories. Please refer to page 720 for details.

SEE PAGE 717

# Your guide to choosing **audio** equipment

**'I listen to music on tape, but when I get my new system, I'll be buying CDs. What should I look for?'**

## CD features

**Search button** means you can select which track you want to listen to at the touch of a button.

**Memory** means you can programme the order the tracks will play in.

## Cassette deck features

**Dolby\* B and C** are noise reduction systems which reduce tape hiss. Dolby C is the enhanced version.

**Auto reverse** means the second side plays when the first one ends.

**Relay play** means the second tape starts when the first one stops.

**High speed dubbing<sup>1</sup>** means you can copy tapes fast – usually at twice the normal speed.

\*Dolby is a Trademark of Dolby Laboratories Licensing Corporation

<sup>1</sup>The recording and playback of certain material may only be possible with permission. Please refer to the Copyright Designs and Patents Act 1988 and the Performers' Protection Acts 1958 and 1972.

**'What amplifier features should I consider when choosing a new system?'**

## Amplifier features

**Watts** describe how powerful the amplifier is, which affects how loud the sound will be. 2x20 watts music power means there are 2 speakers each with 20 watts maximum power output.

Different manufacturers use different ways of describing the power – shown by the letters RMS or MPO or PMPO.

For example:

10 watts RMS = 20 watts MPO = 40 watts PMPO

**Graphic equaliser** – allows you to 'shape' the tone of the music by boosting or fading particular sounds. The more bands, the more precise the equaliser.

**Spectrum analyser** – a visual display of the sound level in the form of 'dancing lights', enabling you to make fine adjustments to sound and tone levels.

**'What turntable, radio and speaker features should I look for?'**

## Turntable features

**Belt-driven decks** ensure constant rotational speed.

**Fully automatic decks** put the stylus (needle) on the record for you, and take it off when the record finishes.

**Semi-automatic decks** just take the stylus off the record for you.

## Radio (usually called a 'tuner') features

**Digital PLL (Phase Lock Loop)** tuner means the tuner searches and locks onto the strongest signals.

**Pre-set buttons** means you can choose stations to select at the push of a button.

## Speaker features

**3 way speakers** have three cones in each speaker for better quality sound.

**Active speakers** have their own power source, to amplify the sound of personal CDs and stereos.

Argos 3 and 5 year Extended Guarantees are available on a wide range of audio equipment.

Refer to page 3 for details.

**3 year cover**

Midi inc CD 885/0111 **£40.99**

**WELCOME TO THE WORLD OF MINIDISC**

Meet the digital, recordable, instantly accessible, shock and vibration resistant portable MiniDisc. Like CDs, each MiniDisc boasts up to 74 minutes of spectacular digital sound. But unlike CDs, there are even blank MiniDiscs that let you record and re-record. At only 64 mm in diameter, the discs are small and easy to carry. Best of all, you can already choose from hundreds of pre-recorded MiniDisc titles.

**SONY MINIDISC**

### For Your Information

#### PERSONAL CD PLAYERS

Personal CD players should be played in a static, horizontal position to avoid any loss of sound quality. Please note, approximately 3 hours of continuous play are possible, (at room temperature), from personal CD players powered by alkaline batteries.

We offer an after sales repair service. Please refer to page 717 for details.

# Your guide to choosing a car stereo

## 'What features do car stereos have?'

**Fader** – on 4 speaker systems you can adjust the sound balance between the front and back speakers.  
 For car stereo speakers see page 598

**Auto seek tuning** – the radio automatically seeks out the next strongest signal on a waveband.

**Radio Data Systems (RDS)** – displays the name of the station and keeps it tuned in automatically as you drive around the country.

**Enhanced Other Network (EON)** – you can choose to have whatever you are listening to interrupted by travel bulletins as they are broadcast.

**Programme Type (PTY)** – you can choose the type of programme you want to listen to (eg news, sport, pop) and search automatically for stations broadcasting that type, without needing to know the frequencies.

**'We're worried about security. Do any models have an anti-theft device?'**

**Extractable units** – some stereos are designed so you can take them out when you leave your car, and then slot them back on your return.

**Detachable front panel/Removable security panel** – you can detach the front fascia panel of the unit and carry it in a pocket or handbag. The stereo won't work without the panel.

LIVE TRAFFIC INFORMATION FROM 24HR SENSOR NETWORK

10 S £495.00

**"Audio Live Traffic Information System"**

The Trafficmate unit provides unique accurate information concerning motorway congestion. It derives its information from a network of sensors and an audible message is given to the user when approaching a motorway junction and approximately every two miles travelling on the motorway.

"...Stationary traffic for 4 miles between junction 4 & 5. Expect 40 minutes delay."

**Live motorway traffic information throughout the country**

**Advance warning of motorway traffic conditions**

**Ensures location awareness in an emergency**

**Join motorways with confidence**

- Self contained-requires no fitting.
- Use in any vehicle.
- One button operation.
- 24hr live traffic information.
- Complete with information key for 12 months use (gives one month's countdown to expiry date).
- Requires 4 x LR6 batteries (order 2 of 980/1444)
- For annual renewal of information key at £24.00 see in pack leaflet for details.

**Cat. No. 500/8564**

**Master the art of missing the traffic**

**Cat. No. 535/6759 £9.75**

**17 £9.15**

### For Your Information

#### RECEPTION DIFFICULTIES

A good television aerial, correctly positioned, will improve a snowy picture and reduce ghosting. A signal booster will amplify weak signals or supply several television sets from one aerial. A signal booster used on its own however, will not always resolve local reception problems or cure ghosting.

Should you have any queries regarding your product, please call the appropriate telephone number, during normal office hours.

## Your guide to choosing a television

**'We want a TV with a big, sharp picture, and great quality stereo sound! Which models should we consider?'**

Look for:

**Size** - TV sets are traditionally measured, in inches, by the length of the glass tube across its diagonal. The size of FST sets is normally given in cm, but we have converted these measurements to the nearest inch, for ease of comparison. The figures shown, eg V34cm, refer to the diagonal of the actual viewable picture.

**FST** stands for Flatter Squarer Tube. It gives you improved definition, a wider viewing angle, and less light reflection off the screen.

**NICAM** is a high quality digital audio signal which is transmitted simultaneously with TV pictures, giving a sound quality similar to compact discs. You need to choose a TV with a NICAM receiver, which picks up the signal through your normal TV aerial. To enjoy NICAM video recordings, you need a NICAM VCR as well as a NICAM television.

**'We don't mind paying a bit more for a TV that has lots of useful features. What should we look out for?'**

Look for:

**Teletext/Fasttext** gives you up-to-date information on a wide range of subjects, like travel, news, sport and TV programme listings. Teletext also offers subtitles for some TV programmes. Fasttext is an updated version that lets you switch between 'pages' faster. You need to use an external aerial to get good reception.

**SCART socket** - used in conjunction with SCART leads, this connects a TV, VCR, hi-fi system, satellite receiver, or games console, quickly and easily, and often with better reception.

**On-screen display** - details such as what channel you have turned to, or adjustments to volume or colour, are displayed on the TV screen, while you are watching.

**Sleep and Wake-up timer** - useful if you watch TV in bed. You can programme the TV to switch off at a certain time, so it doesn't matter if you fall asleep with it on. You can also programme the TV to come on in the morning, to act as an alarm clock.

If you have any queries, please call the appropriate number during normal office hours.

**Goodmans**

HOME CINEMA

8 S £149.00

TV & VIDEO NOT INCLUDED

**S SUPERSTORES ONLY**

GOODMANS HOME CINEMA/HOME ENTERTAINMENT PACKAGE.

The Goodmans Home Cinema package has been designed to offer hi-fi quality sound from your existing video recorder or player. It will also connect all TVs which have either a SCART socket or audio out or connection via your video recorder. The product also features the Goodmans Active Logic surround sound system. This circuit is designed to be used with NICAM/stereo video on NICAM TVs or satellite decoders, and will provide a new experience in listening pleasure with all round cinema style sound. The effect of this circuit is dramatic providing extra clarity and detail from the encoded soundtrack which would be lost in a normal mono TV. We have also provided sockets for connection to game machines, keyboards, CD players or any external audio source.

Specification:

- 150 watt PMPO.
- Rear volume control and memory whilst connected to mains.
- Master volume.
- Remote control requires 2 x LR03 batteries (order 1 of 980/1437 at £1.55 pair).
- Two pairs of speakers.
- Connections for TV, video, satellite, games.
- Bass boost.
- 2 x SCART to phono connectors provided, 2 x phono to phono leads.
- Built-in sub woofer.
- Suitable for TVs up to 63.5 cm screen.
- Pre-set equalisation.
- 1 x movie, 1 x concert, both in arcade/games.
- Size (W)49.5, (D)41, (H)48 cm.

## Your guide to choosing a video recorder

### 'What do I need to think about when buying a video recorder?'

Look for:

**Programming** - generally all VCRs can record one channel while you watch another. You can programme them with a remote control handset and with many VCRs you'll be able to see the details you have entered either in an LCD panel on the handset itself, or on the TV screen.

**Event timer** - most VCRs can be programmed in advance to record several programmes over a period of weeks.

**Twin speed** (or *Long play*) means the VCR can record, and then play back, at half the usual operating speed. This means the recording time of an ordinary tape can be doubled (eg 8 hours recording on a 4 hour tape). The on-screen image is the same as usual, although the quality of the recording may not be quite as good as when you record at normal speed.

**NICAM** is a high quality stereo sound signal. VCRs with a NICAM receiver can pick up the signal through your existing TV aerial. NICAM video recordings need to be played back through a NICAM or stereo TV to maintain the stereo sound.

**PDC (Programme Delivery Control)** - automatically adjusts any timer setting if a TV programme is delayed (available on selected TV channels).

**Auto set-up** - means the VCR is self-tuning. It will automatically locate and store all available channels. The VCR clock is also set automatically.

### Argos Personal Account

Spread the cost of a new VCR. Refer to page 2 for details.

# Your guide to choosing a musical keyboard

We offer an after sales repair service.  
Refer to page 717 for details.

**'Which keyboards are suitable for the more serious player?'**

**'I want to experiment with different sounds and effects. What should I look for?'**

## Yamaha keyboards

Please note that items 6-11 and 13-15 require a power adaptor (not included) for mains operation. Refer to item 16 for a suitable adaptor.

Please note, batteries are not supplied unless otherwise stated and all sizes quoted are approximate.

**Full size keys** – mini keys are great as an introduction to keyboards, or for children, but the more serious player should choose a full size keyboard.

**Polyphony** – this is the number of notes that can be played together, at the same time.

**Touch sensitivity** means that the keyboard is responsive to how hard or softly you press the keys. The harder you strike the keys, the louder the sound, like a piano.

**Voices** – all our keyboards have a large variety of voices to choose from. These give different sounds when you play – like the sound of a flute or a violin, for example. The quality and realism of these effects improve as you move up through our range of keyboards.

**Rhythms** – all our keyboards have a large variety of built-in rhythms that give the effect of a backing band to accompany your playing. The sound quality of these rhythms improves as you move up through the range.

**Drum and sound effect pads** – these are small pads that give drum and sound effects when you tap them. On keyboards that don't have pads, you can usually play these sounds on the keys by choosing one of the voices.

**Chord and song memory** lets you store and retrieve part, or all, of a piece of music that you have played.

**Midi** stands for 'Musical Instrument Digital Interface'. It means you can connect your keyboard to other digital keyboards and computers.

# Your guide to child safety

**'How do we make sure our children only play with toys that are safe and suitable?'**

We sell a wide range of toys that will help your toddler develop. Follow these key points to make sure playtime is great fun as well as safe.

- Make sure your child only plays with toys that are right for their age and ability. All our toys have an age recommendation which you should check before buying.
- Always read the manufacturer's leaflet/packaging and keep it in case you need to look at it again.
- Keep older children's toys out of reach of young children and babies.

**'What should we do to make our home safe when our baby arrives?'**

We have drawn up some key points with **RoSPA** the Royal Society for the Prevention of Accidents.

- Fit a **safety gate** at the top and bottom of stairs, and keep stairs and landings clear of toys.
- Use a **baby monitor** to hear your child when you are in a different room, but remember that this is not a substitute for supervision.
- Use a **fireguard**, securely fixed to the wall, around every gas, electric, or open fire.
- Make sure the side of your baby's cot is fixed securely when your child is in it.
- Ensure that the product you buy is appropriate for the age, size and development of your child.
- When using a high chair make sure your child is wearing a safety harness.

Our mattresses do not contain added antimony and comply with limits specified in national legislation and British Standards. In addition, parents/carers are advised to follow the current advice on cot safety.

- Place the infant on its back
- Keep babies warm, but avoid overheating
- Ensure good ventilation in the room
- Follow good hygiene in keeping all clothing and bedding fresh and clean
- Be alert to all signs that the infant may be unwell.

**'I need a child restraint so I can drive my baby daughter about in safety'**

We sell a wide range of child restraints to fit most cars. Some may require a fixing kit - please check with the manufacturer.

- Check the child restraint is correct for the age and weight of your child, and that it conforms to the British or European Standard (all our child restraints do).
- Always read the manufacturer's leaflet - your child's safety depends on correct installation. If you are in any doubt, check with your local Road Safety Officer.
- Check the child restraint harness each time you set off.

## For Your Information

### FITTING CHILD CAR SAFETY SEATS

Your child's safety depends on correct installation and proper adjustment of harnesses - follow manufacturer's instructions carefully.

- 1) Forward facing:  
9 kg to 18 kg (20-40 lb) approx.
- 2) Rearward facing:  
Birth to 9 kg (20 lb) approx.

Rearward facing child car safety seats should not be used in a car fitted with an airbag on the passenger side. Our child car safety seats fit most car models. Some require fixing kits, check with your local dealer prior to purchase. All of our car safety seats are approved to the relevant British & European Standard.

### SAFETY SEAT ACCESSORIES

Head support cushions for item nos 1, 2, 4, 5, 6 are available direct from the manufacturer via the in-pack order form. (Excludes the Republic of Ireland).

### SAFETY

Filling material(s) and covering fabric(s) for all stage 1 only infant carriers, meet the requirements for resistance to cigarette and match ignition in the UK Furniture and Furnishings (Fire) (Safety) Regulations.

Should you have any queries regarding your car seat, please call the appropriate telephone number during normal office hours.

**BRITAX:** 01264 386034

## **For Your Information**

### **PUSHCHAIR SAFETY GUIDE**

#### **DO NOT:**

Carry additional children in/on pushchair. Hang shopping from handles or carry shopping in locations other than the shopping tray provided. Leave child unattended in pushchair, or use it as a toy. Machine wash pushchair seat unless it is advised in the instruction leaflet. Force pushchair into folded position - refer to the instruction leaflet if any difficulty.

#### **DO:**

Ensure pushchair is correctly erected with primary latches in place before use. Return seat to the correct position, parallel to the handle (where appropriate) before folding. Ensure child wears a safety harness, correctly fitted/adjusted. Ensure that child (and any other nearby children) are clear of moving parts before making any adjustments, folding or unfolding. Take care when loading pushchair into a car boot that it is not crushed. Check regularly that all joints, fixings, straps and catches etc are secure and in full working order.

Should you have any queries regarding your pushchair, please call the appropriate telephone number during normal office hours.

FISHER-PRICE HOP SKIP JUMPER. This baby bouncer features a secure locking door clamp, 3 suspension straps for extra stability, a surface washable padded seat with back support and a clicking propeller to add to the fun.  
Cat. No. 375/6203 £29.50

**2 TOMY LULLABY LIGHT SHOW.** A musical night light which projects a revolving display of animals and figures on nursery ceiling and walls as it sends baby to sleep with the sounds of Brahms' Lullaby. Requires 3 x D batteries (order 2 of 980/1963 at £3.15 pair). Suitable from birth.  
Cat. No. 352/8709 £12.94

**3 STARLIGHT LULLABY POOH.** Winnie the Pooh watches over baby sleeping with this cot accessory. The music box plays gentle lullabies to soothe baby to sleep and features light up Pooh characters, Tigger, Piglet and Eeyore. As the child grows up Pooh can be detached and the music box becomes a dressing table toy. Requires 3 x AA batteries (order 2 of 980/1949 at £1.65 pair). Suitable from birth.  
Cat. No. 354/9788 £20.75

**4 PLAYSKOOL MAGICAL MOONBEAM.** A magical light show which is perfect for soothing restless babies to sleep. Babies are captivated by four characters which move across the ceiling against a night time background of moons and stars, all accompanied by the soothing Brahms' Lullaby. Focus button ensures the image is always clear for all heights. Switches itself off automatically. Requires 4 x C batteries (order 2 of 980/1956 at £2.95 pair). Suitable from birth.  
Cat. No. 354/2149 £15.90

**5 TOMY LULLABY TEDDY BEAR.** When baby starts crying in the night, this voice activated bear plays the soothing lullaby "Rockabye Baby" and his cheeks glow with a gentle red light to reassure baby. Both slowly fade as baby goes back to sleep. In short, a cuddly cot companion who makes sure everyone gets a good night's sleep. Requires 3 x AA batteries (order 2 of 980/1949 at £1.65 pair). Suitable from birth.  
Cat. No. 354/6341 £19.80

**6 S SUPERSTORES ONLY**  
FISHER-PRICE ACTIVITY CENTRE. This classic activity centre features 11 activities and 5 sounds designed to develop and challenge as baby grows. Complete with adjustable straps for easy cot attachment and carry handle for portable fun. For ages 3 months to 2 years.  
Cat. No. 354/6303 £12.45

**7 PLAYSKOOL COLOUR 'N' CONTRAST QUILT.** A large bright activity quilt designed to keep baby amused and to stimulate its sense of touch and sight. 12 fun activities include a teething ring, furry ear, safety ear, squeaking kitten and peek-a-boo flaps. Machine washable and dryer safe. Length 35.5, width 56 cm. Suitable from birth.  
Cat. No. 353/3330 £9.99

**8 MATCHBOX ACTIVITY PLAY NEST.** Designed to be baby's first play environment, this new activity play nest encourages the first stages of development. Soft, deeply padded activity centre has raised edges to angle the 10 activities to baby's view. Complete with velcro strap for carrying and water resistant backing. Washer/dryer safe. Diameter 80 cm. For ages 3 months and over.  
Cat. No. 354/5438 £22.75

**9 MATCHBOX BIG BIG PLAY QUILT.** Features teether, squeaker, crinkly cloud, mirror, satin bow tie and shiny fish. Water resistant backing. Machine washable. Length 83 cm, width 106.5 cm. Suitable from birth.  
Cat. No. 354/0127 £15.49

**10 S SUPERSTORES ONLY**  
FISHER-PRICE PLAYTIME PONY. A soft activity toy with six play modes, teaching sounds, colours and textures. Babies can feel pony's mane with a crinkle texture and hoof activities include a rattle ball that "clippity clops". For ages 3 months to 2 years.  
Cat. No. 350/1070 £9.50

**11 S SUPERSTORES ONLY**  
FISHER-PRICE BUTTONS 'N' BELLS PHONE. Activity phone to develop co-ordination skills with 4 push buttons to ring the bell, push bar to spin the roller drum and teetherable receiver. For ages 6 months to 3 years.  
Cat. No. 354/1267 £7.25

**12 S SUPERSTORES ONLY**  
TOMY MELODY VISION. A wonderful wind up musical picture show. Just wind up the knob on the side of the screen, then let it go and a series of pictures will gently unfold to the tune of a sweet lullaby. The pictures not only tell a visual story about a baby chick, its mother and their animal friends but also have some special moving parts making the chick and the egg come to life. Suitable from birth.  
Cat. No. 354/9795 £7.75

**13 S SUPERSTORES ONLY**  
BLUE BOX ACTIVITY PLAY GYM. For use on floor or playpen. Complete with a rabbit and bear and a star, each with their own activity and removable from the gym. Height 53 cm, width 56 cm. Suitable from birth to 2 years.  
Cat. No. 354/6406 £8.75

## For Your Information

The Lion Mark is a symbol of Toy Safety. All Argos toys are tested for compliance with exactly the same approved safety standard. Always choose toys that suit both the age and ability of your child.

Should you have any queries regarding your toys please call the appropriate telephone number, during normal office hours.  
FISHER PRICE: 01734 770488

Cat. No. 354/2163 £9.99

**15** FISHER-PRICE ACTIVITY LINKS GYM. A sturdy play gym with 5 height adjustable fun activities that develop hand and eye co-ordination for the lying and sitting baby. Links detach for portability and gym dismantles for easy storage. Suitable from birth to 2 years.

Cat. No. 353/7855 £16.99

**16** **S SUPERSTORES ONLY**

VTECH TALKING TOUCH 'N' LEARN GYM. Baby is entertained with 7 familiar nursery rhymes, fun phrases and sound effects. 3 animal figures hang from the activity panel encouraging baby to reach and touch. 2 modes (talking and music) double the learning fun. Easily disassembled for storage. 2 attachment straps for securing activity panel to baby's crib and 2 height adjustments for child's development. Batteries supplied. For ages 3 months to 3 years.

Cat. No. 354/9805 £27.90

**17** **S SUPERSTORES ONLY**

SOFT TOUCH MELODY BALL. A rolling musical toy that helps young children develop motor skills and hand to eye co-ordination. When the ball is rolled one of 16 melodies is activated. Once finished, and when the ball is rolled again, another tune plays. Made from soft rubber material with four colourful graphics. Requires 2 x AAA batteries (order 1 of 980/1932 at £1.44 pair). For ages 6 months and over.

Cat. No. 354/8662 £11.99

**18** VTECH TINY TOUCH PHONE. A baby's first talking telephone with 2 fun modes of play. Teaches numbers and colours, real phone ring sound effect and 4 built-in nursery rhymes. Features flashing LED light, non-breakable mirror and aerial tether. Batteries supplied. For ages 6 months to 3 years.

Cat. No. 354/8992 £9.50

**19** VTECH LITTLE SMART FIRST WORDS. A toddler's first learning aid. Two play modes containing the first words infants learn, a selection of nursery rhymes and sound effects. 9 large colourful "character" buttons teach babies their first words, 3 animal sounds, 6 built-in nursery rhymes and a carry handle. Batteries supplied. For ages 6 months to 2 years.

Cat. No. 354/4721 £14.40

**20** **S SUPERSTORES ONLY**

VTECH TALK 'N' TYPE. Baby's first typewriter with 2 modes of learning play - talking and music. Friendly voice teaches the alphabet and numbers. 4 fun sound effects and 4 built-in nursery rhymes. For ages 6 months to 2 years.

Cat. No. 350/0923 £9.95

**21** **S SUPERSTORES ONLY**

VTECH BABY DRIVER. Baby driving centre where baby can turn the steering wheel, push and pull the gear shift. With fun sound effect car horn. Has phrases and fun sound effects when pressing the 4 character buttons and 3 musical buttons, which play melodies or individual notes. Batteries supplied. For ages 6 months to 3 years.

Cat. No. 354/8112 £14.99

**22** PLAYSKOOL 4 IN 1 ACTIVITY CENTRE. Grows with your child for long lasting fun. For a baby there is a busy box and activity table and for a toddler there is a playtime easel and play desk. Features arched legs for stability. Easily adjusted to 3 height levels. For ages 6 months to 3 years.

Cat. No. 354/8631 £29.99

**23** TRADITIONAL WOODEN TROLLEY WITH BRICKS.

Features play beads and 24 coloured wooden bricks. Height to handle 41 cm. For ages 1 to 3 years.

Cat. No. 353/3763 £16.90

**24** FISHER-PRICE KIDDIWALKER. Designed to help a child through 3 stages of development. Folded down it is an activity centre for floor or cot play. Locked in the upright position it is a pushalong to develop a child's walking skills. A fold down play tray transforms it into a buggy for an older child to use for their favourite teddy. Folds away for easy storage. For ages 6 months to 3 years.

Cat. No. 354/7546 £22.50

**25** TOMY MULTIGYM WALKER. Features 6 toys in 1. As an activity gym it provides stimulation for young babies whilst lying on their backs, then it converts into a baby walker to help with those first steps. Remove the activity tray to transform it into a toy pushchair. What's more the activity centre can be played with separately as a floor toy. All the activities pop out of the tray to become 3 individual hand held toys. Lift out the activity centre tray to reveal the shape sorter game beneath which encourages recognition of shapes. For ages 3 months to 3 years.

Cat. No. 354/8655 £32.40

**26** VTECH TALKING FIRST STEPS BABY PUSHALONG. Baby can play with electronic activity centre while walking or when it is folded. Activity centre teaches shapes, numbers, animals and sounds. Play nursery rhymes or create your own music. Electronic activity centre can be removed from pushalong. Batteries supplied. For ages 6 months to 3 years.

1 BARNEY THE DELIGHTFUL DINOSAUR. Plush toy which younger children will love. Height 30 cm. For ages 2 years and over.

Cat. No. 350/0772 £14.99

2 PLAYSKOOL TALKING BARNEY. This delightful dinosaur is now a soft, cuddly talking toy. In fact, this lovable companion has two ways to talk - and hundreds of things to say. Best of all, Talking Barney's phrases encourage children to respond. When kids squeeze his hand, Barney suggests fun things to do, such as "Let's walk like a duck, Quack Quack". When they press his tummy he offers comforting phrases, including "I like playing with you". Talking Barney speaks in the distinctive, easily recognisable voice that children have come to know. Batteries included. Height 46 cm. For ages 3 years and over.

Cat. No. 354/6619 £29.90

3 TOMY TV TEDDY. Your lovable interactive video friend who never stops talking! TV Teddy's unique talkbox gives him an unlimited vocabulary. He interacts differently to each of his videos and his eyes and mouth move as he laughs, talks and sings along with the child. He doesn't need to face the TV and can be carried around and hugged without his performance being affected - even up to 6.1m away from his talkbox. Complete with a special 30 minute video. Requires 6 x AA batteries (order 3 of 980/1949 at £1.65 pair), and 4 x C batteries (order 2 of 980/1956 at £2.95 pair). For ages 3 years and over.

Cat. No. 354/5775 £48.69

4 S SUPERSTORES ONLY

## Story Books

**1** **Pocahontas Golden Sound Story Book.** This extraordinary tale recounts the story of Pocahontas and John Smith. These two strangers from different worlds come together despite their differences and, by their example, offer their people the chance to do the same. With ten exciting sounds this well known story comes to life. Batteries supplied. For ages 3 years and over.

**Cat. No. 350/0820 £8.95**

**2** **Pocahontas Classic Film Book.** In the beautiful New World the young and free-spirited Pocahontas lives a life of fun-filled adventure. When the British settlers arrive, Pocahontas falls in love with the brave and handsome Captain John Smith. Can their love bring peace and understanding between their peoples, or will fear and hatred keep them apart forever? For ages 5 years and over.

**Cat. No. 369/0828 £4.89**

**3** **Winnie the Pooh Golden Sound Story Book.** An educational electronic book with sound. When the matching sound pictures are touched, the story comes to life. Listen to Tigger bounce, Pooh's tummy rumbling and other enchanting sounds. Batteries supplied. For ages 3 years and over.

**Cat. No. 353/8524 £8.95**

### 4 **S SUPERSTORES ONLY**

Always choose toys that suit both the age and ability of your child.

676

**16** BROOKFIELD FUN STARTERS SKATE AND PAD SET. Fitted with the three step learning system. Beginners can set skates on "lock" to walk before rolling. Intermediates use "forward" to skate forwards without rolling backwards and competent skaters set on "skate" for free-wheeling fun. Wide wheel base with tread for better stability and traction. Safety buckle straps and toe brakes on each skate. Pack includes one pair each of knee and elbow pads, with protective plastic shell and elasticated straps. Adjustable skates fit shoe sizes 8 to 13. (Colours may vary.) For ages 3 to 6 years.

Cat. No. 354/9551 £14.99

**17** PLAYSKOOL IN-LINE SKATES. Ideal for children to learn to skate. Three positions for beginner, intermediate and advanced skaters. For beginners the wheels slide out to provide maximum stability. For intermediates skates can be adjusted back to in-line with lock setting to prevent rolling backwards. Competent skaters can remove lock for free-wheeling fun. Fits shoe sizes 8 to 13½.

Cat. No. 354/4123 £17.75

**18** FISHER-PRICE EASY IN-LINE SKATES. Designed to make in-line skating easy for pre-schoolers. The wheels slide out and lock to provide maximum stability for beginners. Intermediates can lock into forward only and switch the wheels to in-line. Advanced skaters can remove lock for free-wheeling. Fits shoe sizes 8 to 2.

Cat. No. 354/7261 £17.85

**19** FISHER-PRICE EASY IN-LINE SKATES. Designed to make in-line skating easy for pre-schoolers. The wheels slide out and lock to provide maximum stability for beginners. Intermediates can lock into forward only and switch the wheels to in-line. Advanced skaters can remove lock for free-wheeling fun. Fits shoe sizes 8 to 2.

### For Your Information

Always choose toys that suit both the age and ability of your child.

In addition to our usual safety checks, our paddling pools are independently tested for seam strength to help improve their durability.

Please note, all items featuring this symbol are packed flat for home assembly.

**SAFETY**  
It is important that young children are supervised by adults, especially in group play situations.

The Lion Mark is a symbol of Toy Safety. All Argos toys are tested for compliance with exactly the same approved safety standard.

- LEGO SYSTEM 4133 FREESTYLE MONKEY BUSINESS 3+. This compact bucket contains lots of fun elements as well as building bricks, including a friendly elephant, a jolly monkey face and Spot the dog. For ages 3 years and over. Cat. No. 374/1964 £8.95
- LEGO SYSTEM 4152 FREESTYLE FAIRGROUND FUNTIME 5+. As well as lots of bricks this large bucket contains hinges, flags, doors and windows. Everything needed for hours of building fun. For ages 5 years and over. Cat. No. 374/3443 £13.99
- LEGO SYSTEM 4145 FREESTYLE FLYING FUN 4+. Lots of bricks and elements to inspire children to build and play. Special elements include propellers, wheels, doors and Spot the dog. The sturdy playcase is ideal as a storage container once playtime is over. For ages 4 years and over. Cat. No. 374/1971 £15.94
- LEGO SYSTEM 4146 FREESTYLE ANIMAL ANTICS 4+. An extra large bucket of colourful bricks and special elements. All kinds of houses, cars or crazy animals can be built by any creative, young builder. Special elements include propellers, wheels, a friendly elephant, Spot the dog and lots of happy faces. For ages 4 years and over. Cat. No. 374/1988 £19.99
- S SUPERSTORES ONLY**  
LEGO SYSTEM 4153 FREESTYLE ROBOCITY 5+. A sturdy playcase containing a variety of standard Lego bricks and some large, special elements. Special elements include figures, wheels, hinges and turntables. Plenty of construction possibilities for the young creative builder. For ages 5 years and over. Cat. No. 374/1995 £25.95
- LEGO SYSTEM 6625 CITY POLICE. Supplied with the latest radar technology to catch any speeding vehicles! Beware though, as if you fail to stop, you could find both the police car and bike chasing you! The front of the police car opens up and the radar can be disassembled and hidden away. For ages 6 years and over. Cat. No. 362/0315 £4.50
- LEGO 6649 STREET SWEEPER. This street sweeper has a rotating brush at the front to ensure all parts of the town are kept clean and tidy. The workman can make sure the job is finished properly with his brush and spade. For ages 6 years and over. Cat. No. 362/0621 £4.50
- LEGO SYSTEM 6581 DUMPER AND DIGGER. Includes a dumper truck with tipping action and also a bending joint, plus, a mini digger with three joint action digging arm with a full 360° rotation. Complete with two workmen and a road traffic sign. For ages 6 years and over. Cat. No. 374/1407 £7.75
- LEGO 6336 SPACE PORT SURVEILLANCE TEAM. The Space Port Surveillance Team are well equipped for any situation with the latest radar technology, and even a helicopter with a video camera. Their transporter can safely carry the helicopter to any part of the Space Port ready for take off. For ages 7 years and over. Cat. No. 374/0484 £9.15
- LEGO SYSTEM 6545 POLICE RESPONSE UNIT. Ready for action in the air, on land and water. Includes a Police helicopter with rotating blades, an all-terrain van and power boat. Complete with three police figures and the all-terrain van even has its own tool kit! Make sure you are not caught speeding, as there's no escape from this Police force! For ages 7 years and over. Cat. No. 374/0460 £13.50
- LEGO SYSTEM 6563 THE GOLD GANG. This set has its own swamp cabin with hanging bridge for the Gold Gang to hide from the long arm of the law. For quick exits, should anyone discover what they are up to, there's a swamp skimmer boat, four wheel drive jeep and amphibian plane. The plane has a storage box for banknotes in the back of the cockpit and the set is complete with two suitcases, "gold" coins, a walkie talkie, swamp bush and crocodile! For ages 7 years and over. Cat. No. 374/1445 £14.50
- LEGO SYSTEM 6335 F1 ROAD TRANSPORTER. Includes three racing cars. The transporter has a front compartment where the jack, sack truck, tools and extra tyres fit. It even has a tip down ramp so the cars can board easily. Includes three racing drivers who can also double up as truckdrivers and mechanics by simply changing their helmets to caps! For ages 7 years and over. Cat. No. 374/0422 £19.75
- LEGO SYSTEM 6598 POLICE HQ AND PRISON. The Police HQ has a gatepost on the entrance, security cameras and speakers. On the first floor there's a computer department, on the second a control room and on the third a record's department with opening archives and two police records. The prison has locks on both cell doors and prison wall doors, but it's not that safe as the bed in the cell tips for easy escape through a hole in the cell wall! The set is complete with a police helicopter (with rotating blades), a speed boat and a police van for transporting prisoners. For ages 8 years and over. Cat. No. 374/1421 £37.50
- S SUPERSTORES ONLY**  
LEGO 6339 SHUTTLE LAUNCH PAD. 3-2-1 ignition! We have lift off! A successful launch is guaranteed with this life like shuttle launch pad. The shuttles cargo compartment can open and a satellite can be positioned in space by a grabbing arm. Also includes the "launch team" - the professor, his two technicians and of course, an astronaut complete with space helmet. For ages 8 years and over. Cat. No. 374/0532 £39.40

## MODEL TEAM

7 17 S £22.75

### 15 S SUPERSTORES ONLY

LEGO SYSTEM 6078 DARK TOWER. A dark tower with dark secrets, including hidden rooms and a footbridge with a cunning trap. Not to mention a skeleton to scare off any unwanted intruders. Also included is a small raft, gallant knights, one on horseback and of course... treasure! For ages 8 years and over.

Cat. No. 374/2004 £17.95

16 LEGO SYSTEM 6090 SAXONDALE CASTLE. A castle fit for a King! This heavily defended fortress has a working portcullis complete with "skeleton trap", a ghostly guard outside the main gate, hidden rooms and secret exits. The King's gallant knights are armed with crossbows, swords and axes. A missile launcher is positioned on the castle battlements to bombard approaching enemies of the King. Not forgetting of course, what castle would be complete without a dungeon? For ages 8 years and over.

Cat. No. 374/2011 £59.99

### 17 S SUPERSTORES ONLY

LEGO SYSTEM 5541 HOT ROD. A head turning Hot Rod with realistic working functions and lots of details. Including chrome-look headlights and exhaust pipes, movable windshield and wipers. Also included are building instructions for a dragster. For ages 9 years and over.

Cat. No. 374/3450 £22.75

18 LEGO TECHNIC 8223 POWERBOAT COLUMBIA. The propeller on this boat is driven via gear ratio. Both the steering wheel and the propeller can tip upwards to allow easy access for the driver who even has his own crash helmet. The alternative model which can be built from this set is a helicopter with a propeller driven via gear ratio. For ages 8 to 12 years.

Cat. No. 374/1531 £7.25

19 LEGO TECHNIC 8225 SUPER KART. Has a single cylinder piston engine, rack and pinion steering and an adjustable steering wheel. Also includes building instructions for an ultra light three wheeled helicopter. For ages 7 years and over.

Cat. No. 374/2035 £7.89

20 LEGO TECHNIC 8230 MIAMI POLICE PATROL. This set includes a police figure and police stickers brand new to the TECHNIC range. Its black frame with crash bar, rear spoiler and Flex System cockpit makes it the meanest police car around. It also has rack and pinion steering and the wheels have moulded rims with air filled tyres to ensure excellent control when chasing criminals! The set can also be used to build a police rescue vehicle. For ages 8 years and over.

Cat. No. 374/1579 £11.75

21 LEGO TECHNIC 8244 TRANSFORMATOR SET. This set can build an incredible nine different models. In addition the different units of each model simply snap together so in seconds you can change your sports car into a trike! The other sets which can be built are an ultra light plane, helicopter, snow scooter, breakdown van, radar car, fire engine and expedition vehicle. For ages 8 years and over.

Cat. No. 374/1517 £16.95

22 LEGO TECHNIC 8207 BEACH RACER. With fully sprung suspension and adjustable steering. The flex cables are bright yellow as is the seat to really stand out from the crowd. Big fat tyres complete this awesome buggy. Complete with instructions for a Formula One racer. For ages 7 years and over.

Cat. No. 362/0322 £4.89

23 LEGO TECHNIC 8210 GXT 500 RACER. A racing bike with rear wheel suspension, steering and a windshield. This set also includes instructions for an off road trike.

For ages 7 years and over.

Cat. No. 362/0889 £4.95

### 24 S SUPERSTORES ONLY

# PREMIER POINTS. SIMPLE TO COLLECT. EVEN EASIER TO SPEND.

Everyone loves shopping at Argos.

With a Premier Points Collecting Card you'll  
love it even more.

Because it won't cost you a penny.

Just collect points at participating outlets  
like Mobil and Toby Hotels and  
redeem them against items from the Argos

range of over 7,000 branded items. It's so  
easy.

500 points are worth £1 and the card holds a  
maximum of 2,500 points, worth £5.

However, unlike some cards we could

mention you don't need a full card to make a  
purchase. You can add to your points value  
with any other method of payment accepted  
at Argos Stores.

With a Premier Points Collecting Card you  
could be coming back to Argos again and  
again and again. For nothing.

Please note that this product is excluded from the Argos 16 Day Money Back Guarantee. This does not affect your statutory rights.

# COMMITTED TO QUALITY, SAFETY AND AFTER SALES CARE

We want you, our valued customer, to have total confidence in the Safety, Quality and Reliability of every product purchased from Argos.

## After Sales Care Service

All Argos products are guaranteed against manufacturing defects for a minimum of 12 months. In those instances where the manufacturer's warranty extends beyond 12 months we will of course honour the terms of the manufacturer's guarantee. Argos supports the guidelines for guarantees set by the British Retail Consortium, and we are committed to ensuring that our After Sales Care policies are offered in addition to your statutory rights (which remain unaffected).

## Quality and Safety

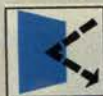

Our Quality Assurance Department ensures that all Argos products which are governed by strict Safety Regulations are tested to establish compliance with such regulations. In most cases the tests will be carried out by independent laboratories.

Particular attention is given to both Nursery and Toy products, and all Argos toys are tested for compliance with exactly the same safety standards as those governing the Lion Mark, which is a recognised symbol of toy safety.

All Argos toys are tested for compliance with EU Safety Regulations which is signified by the "CE" mark on all our toy products. From 1996 several other product ranges will also begin to display the "CE" symbol as a mark of compliance with the new European safety laws.

All the glass employed in the manufacture of our Furniture products is constructed to minimise the risk of serious accidents.

All our upholstered furniture is manufactured to comply with Safety Regulations, which include both match and cigarette ignition tests.

All our electrical products, where appropriate, are now supplied with a pre-fitted plug. Look out for the fitted plug symbol on the relevant pages. The nominal voltage supply in the UK changed to 230V last year and many electrical appliances are now being marked 230V as opposed to 240V. There will be no noticeable differences in the performance of the product.

All our electrical products are tested to comply with European Safety Standards. The BEAB mark indicates that a product has been tested for electrical safety by an independent laboratory and manufactured in a factory which is inspected by the British Electrotechnical Approvals Board.

# THE ARGOS PROMISE

Making sure that you are happy with your purchases both when you buy them, and after you have taken them home, is very important to us.

We want all our customers to be totally satisfied with every purchase made from Argos. We therefore offer you the opportunity of returning any item within 16 days from the date of purchase for exchange or a full

refund. All we ask is that you return the product in its original and unspoilt condition, along with the wrapping and the receipt, to any Argos store. Please note, however, that certain products are excluded from this promise. All such exclusions are clearly indicated by a statement on the relevant catalogue page. This guarantee is in addition to your statutory rights, which remain unaffected.

## After Sales Care

If a product develops a fault within 30 days of purchase, simply return it (with your proof of purchase) and we will offer you an exchange or a full refund.

## Repair Services

If a product develops a manufacturing fault after 30 days of purchase and within a year from the date of purchase, we will have the item repaired **Free of Charge**.

In those instances where the manufacturer's warranty extends beyond 12 months, we will of course honour the terms of the manufacturer's guarantee.

Most repairs are normally carried out within 16 days. Look out for the symbols in the catalogue indicating the service available.

For your convenience, many electrical appliances can be serviced in your home.

Most office electrical equipment can be serviced on site.

For in-home or on-site repairs, please contact your local store for details.

Other items should be returned to the store for repair, along with your proof of purchase, plus all the accessories originally supplied with the product.

## METRIC CONVERSION GUIDE

Most of the goods in this catalogue are now marked in Metric rather than Imperial units. The guide below will help you to convert back to Imperial units should you wish to do so. Please note, that all sizes contained within this catalogue are approximate.

LENGTH		LENGTH	
1 CENTIMETRE	= 0.39 INCHES	1 METRE	= 39.37 INCHES (100 CENTIMETRES) (3 FT, 3 INCHES)
VOLUME		AREA	
1 LITRE	= 1.76 PINTS (1000 MILLILITRES)	1 METRE <sup>2</sup>	= 10.8 SQ FT (SQUARE METRE) (1.2 SQ YARDS)
WEIGHT		WEIGHT	
1 KILOGRAM	= 2.21 POUNDS (1000 GRAMS)	100 GRAMS	= 3.5 OUNCES

# CHOOSING FURNITURE

## Fabric and Wood Colour Guide

To ensure that the item you order is exactly what you want, please see our Fabric and Wood colour guide in your local Argos store. This includes fabric samples used in the manufacture of our furniture, as well as details on product specification.

The guide also allows you to check the colour of our wood and wood effect furniture.

### Accessories Mail Order Service

We operate a Mail Order Service on over 50 everyday accessories from vacuum cleaner bags and filters to printer ribbons and shaver foils. You can order by telephone (Credit Card payment) by ringing 0161 976 4505 (24 hour service). Alternatively pick up an order form at your local store (no stamp required).

**Please note: this service is for accessories only.**

# DELIVERY SERVICES

**We operate two delivery services — each is explained below.**

**Argos Direct Service**

**INCLUDES FREE HOME DELIVERY**

Certain heavy or bulky items (as marked in the catalogue with this red caption) cannot be collected from your local store, so we deliver them free\* of charge, direct to your home. The benefits of the service are:

- **Free\* Home Delivery.**
- **Easy to order in-store or by telephone from the comfort of your home.**
- **All products are backed by our 16 Day Money Back Guarantee.**
- **Delivery usually within 14 days (see text beside lorry symbol).**
- **Convenient delivery:**
  - Day and am or pm slot booked by phone†
  - Two man delivery crews place the product in the room of your choice†
- **Special delivery and installation service for computers (see page 528) and large screen TVs (see page 606) for details.**

## How to Order

■ At the Customer Services area in-store.  
OR

■ By telephoning the Argos Direct Number (see below) anytime between 8.00 am and 10.00 pm, 7 days a week giving your order and credit card details. Once you have placed an order we will contact you to arrange delivery (does not apply to 3 day deliveries).

\*In Northern Ireland only, a supplementary charge will apply to the delivery of certain Argos Direct products. Ask in-store for further details. We regret that the Argos Direct service is not available in The Channel Islands, Isle of Man, Orkney, Shetland and the Western Islands.

†Does not apply to the 3 day Delivery products which are delivered by Parcel Force.

**Superstore Delivery Service**

If you live within 20 miles of an Argos Superstore you can have any Argos product (except heavy or bulky items covered by Argos Direct) delivered to your home.

- **Covers all items sold by Argos except those delivered FREE via Argos Direct.**
- **One small delivery charge covers as many items as you wish to order.**
- **Deliveries anywhere within 20 miles of any Argos Superstore.**
- **Easy to order in-store or by telephone from the comfort of your home.**

## How to Order

■ At the Customer Services area in-store.  
OR

■ By telephoning your nearest Superstore during normal working hours with your credit card details. Details of your nearest Argos Superstore and its telephone number are given on page 719.

**ARGOS DIRECT**

Home delivery orders and enquiries only

**0345 427467**

(Calls charged at local rate)

**8.00 am - 10.00 pm  
7 days per week**

**OTHER ENQUIRIES**

(excluding Argos Direct home delivery orders)

**STORES (local queries)  
See pages 718 - 719**

**HEAD OFFICE  
(customer services)  
01908 600161**

## Free spending money at Argos

ANY POINTS • ANY ITEM • ANY STORE

Many Argos customers are already collecting Premier Points and using them to save £££'s at Argos.

■ You can collect Premier Points when you buy petrol or diesel fuel from **Mobil** Service Stations, and when you stay at any **Toby Hotel**.

■ Points can be redeemed at any Argos store. A full card is worth £5 but there is no need to wait, you can redeem any value of points at any time.

■ Simply present your Collecting Card(s) to the cashier when making a purchase of one or more items from the Argos catalogue\*. You can add to your Points value with any other method of payment accepted at Argos stores.

For full terms and conditions ask in any Argos store, participating Mobil Service Station or Toby Hotel, and start saving today. \*Excludes any telephone or mail order services.

## Argos Gift Vouchers

If you want to take care of a birthday, anniversary or any other special occasion, an Argos Gift Voucher could be the answer. Vouchers are also ideal for incentive and promotional awards. Please note that Gift Vouchers cannot be exchanged for cash.

£1 Cat. No. 888/0105 £10 Cat. No. 888/1001  
£5 Cat. No. 888/0507 £20 Cat. No. 888/2000

This catalogue is valid until the launch of our Autumn/Winter 1996 catalogue and supersedes all previous catalogues.
